ARTICLE II

THE SUBORDINATE BONDS

Section 2.01 The Subordinate Bonds.

(a) The Subordinate Bonds are hereby authorized to be issued hereunder as revenue bonds of the Issuer in accordance with the Bond Resolution. The Subordinate Bonds are hereby authorized to be designated “City of San José Multifamily Housing Revenue Bonds (Markham Plaza II) Subordinate Series 2021C-2” in the original aggregate principal amount of \$6,000,000. The Subordinate Bonds shall be fully registered as to principal and interest, without coupons, and shall be numbered by series, if any, in the manner and with any additional designation as the Trustee, as Subordinate Bond Registrar, deems necessary for the purpose of identification. All of the Subordinate Bonds are equally and ratably secured. Subordinate Bonds issued on the Closing Date shall be dated such date; Subordinate Bonds issued after the Closing Date shall be dated the date they are authenticated by the Trustee. The Subordinate Bonds shall be due and payable in full on the Maturity Date.

(b) The Subordinate Bonds shall be issued as one bond in the principal amount of \$6,000,000 and shall bear interest only at the Subordinate Bond Rate. Interest shall accrue on the Subordinate Bonds at the Subordinate Bonds Rate, but no payment on the Subordinate Bonds shall be made prior to the Conversion Date. On each Subordinate Bond Payment Date following the Conversion Date until the earlier of the Maturity Date or the date on which no principal of or interest on the Subordinate Bonds remains outstanding, payment of interest shall be payable on each on each Subordinate Bond Payment Date, solely from available Revenues received by the Trustee pursuant to the provisions of the Subordinate Note and the Subordinate Loan Agreement. The Subordinate Bonds shall also be subject to mandatory redemption on each Subordinate Bond Payment Date, solely from available Revenues received by the Trustee pursuant to the provisions of the Subordinate Note and the Subordinate Loan Agreement which remain after the payment of interest on the Subordinate Bonds on such Subordinate Bond Payment Date. Unpaid interest on the Subordinate Bonds, and other unpaid amounts under this Subordinate Indenture, shall accrue interest at the Subordinate Bond Rate.

(i) Interest on the Subordinate Bonds shall be computed on the basis of a 360-day year of twelve months. Interest on the Subordinate Bonds shall be payable on

each Subordinate Bond Payment Date, in each case from the Subordinate Bond Payment Date next preceding the date of authentication thereof to which interest has been paid or duly provided for, unless the date of authentication is an Subordinate Bond Payment Date to which interest has been paid or duly provided for, in which case from the date of authentication of the Subordinate Bond, or unless no interest has been paid or duly provided for on the Subordinate Bonds, in which case from the Closing Date, until payment of the principal of the Subordinate Bond has been made or duly provided for. Notwithstanding the foregoing, if a Subordinate Bond is authenticated after a Record Date and before the following Subordinate Bond Payment Date, such Subordinate Bond shall bear interest from such Subordinate Bond Payment Date; provided, however, that if there shall be a default in the payment of interest due on such Subordinate Bond Payment Date, then the Subordinate Bonds shall bear interest from the next preceding Subordinate Bond Payment Date to which interest has been paid or duly provided for, or, if no interest has been paid or duly provided for on the Subordinate Bonds, from the Closing Date.

(c) The Person in whose name any Subordinate Bond is registered on the Record Date with respect to an Subordinate Bond Payment Date shall be entitled to receive the interest paid on such Subordinate Bond Payment Date (unless such Subordinate Bond has been called for redemption on a redemption date which is prior to such Subordinate Bond Payment Date) notwithstanding the cancellation of such Subordinate Bond upon any registration of transfer or exchange thereof subsequent to such Record Date and prior to such Subordinate Bond Payment Date.

(d) No Subordinate Bonds may be issued under the provisions of this Subordinate Indenture except in accordance with this Article. The total principal amount of Subordinate Bonds that may be issued hereunder, or in substitution for other Subordinate Bonds pursuant to Section 2.06 hereof, is expressly limited to \$6,000,000.

Section 2.02 Limited Obligations. The Subordinate Bonds are limited obligations of the Issuer, payable solely from the Revenues and other funds and money pledged and assigned hereunder. None of the Issuer, the State, or any political subdivision thereof (except the Issuer, to the limited extent set forth herein) or any public agency shall in any event be liable for the payment of the principal of, or interest on the Subordinate Bonds or for the performance of any pledge, obligation or agreement of any kind whatsoever except as set forth herein, and none of the Subordinate Bonds or any of the Issuer's agreements or obligations shall be construed to constitute an indebtedness of or a pledge of the faith and credit of or a loan of the credit of or a moral obligation of any of the foregoing within the meaning of any constitutional or statutory provision whatsoever.

No recourse shall be had for the payment of the principal of, or interest on any Subordinate Bond or for any claim based thereon or upon any obligation, covenant or agreement in this Subordinate Indenture contained, against, the Issuer, any past, present or future member of its governing body, its officers, attorneys, accountants, financial advisors, agents or staff or the officers, attorneys, accountants, financial advisors, agents or staff of any successor public entity, as such, either directly or through the Issuer or any successor public entity, under any rule of law or penalty or otherwise, and all such liability of the Issuer, any member of its governing body and its officers, attorneys, accountants, financial advisors, agents and staff is hereby, and by the acceptance of the Subordinate Bonds, expressly waived and released as a condition of, and in consideration for, the execution of this Subordinate Indenture and the issuance of the Subordinate Bonds.

It is recognized that notwithstanding any other provision of this Subordinate Indenture, none of the Borrower, the Trustee or any Subordinate Bondholder shall look to the Issuer for damages suffered by the Borrower, the Trustee or such Subordinate Bondholder as a result of the failure of the Issuer to perform any covenant, undertaking or obligation under this Subordinate Indenture, the Subordinate Loan Agreement, the Subordinate Bonds or any of the other documents referred to herein, or as a result of the incorrectness of any representation made by the Issuer in any of such documents, nor for any other reason. Although this Subordinate Indenture recognizes that such documents shall not give rise to any pecuniary liability of the Issuer, nothing contained in this Subordinate Indenture shall be construed to preclude in any way any action or proceeding (other than that element of any action or proceeding involving a claim for monetary damages against the Issuer) in any court or before any governmental body, agency or instrumentality or otherwise against the Issuer or any of its officers or employees to enforce the provisions of any of such documents that the Issuer is obligated to perform and the performance of which the Issuer has not assigned to the Trustee or any other person; provided, however, that as a condition precedent to the Issuer proceeding pursuant to this Section 2.02, the Issuer shall have received satisfactory indemnification.

Section 2.03 Indenture Constitutes Contract. In consideration of the purchase and acceptance of the Subordinate Bonds issued hereunder by those who shall hold them from time to time, the provisions of this Subordinate Indenture shall be part of the contract of the Issuer with the Holders of the Subordinate Bonds and shall be deemed to be a contract between the Issuer and the Holders of the Subordinate Bonds from time to time.

Section 2.04 Form and Execution. The Subordinate Bonds shall be in substantially the form attached as Exhibit A, with necessary and appropriate variations, omissions and insertions as are customary, permitted or required by this Subordinate Indenture. The Subordinate Bonds shall be signed in the name and on behalf of the Issuer with the manual or facsimile signature of an Authorized Officer (as that term is defined in the Bond Resolution). Any facsimile signatures shall have the same force and effect as if said officers had manually signed the Subordinate Bonds.

In case any officer of the Issuer whose manual or facsimile signature shall appear on any Subordinate Bond shall cease to be such officer before the delivery of such Subordinate Bond such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he or she had remained in office until delivery, and also any Subordinate Bond may bear the facsimile signatures of, or may be signed by, such Persons as at the actual time of the execution of such Subordinate Bond shall be the proper officers to sign such Subordinate Bond although at the date of such Subordinate Bond such Persons may not have been such officers.

Section 2.05 Authentication. No Subordinate Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Subordinate Indenture unless a certificate of authentication on such Subordinate Bond, substantially in the form set forth in Exhibit A, shall have been duly executed by an Authorized Officer of the Trustee; and such executed certificate of authentication upon any such Subordinate Bond shall be conclusive evidence that such Subordinate Bond has been duly executed, registered, authenticated and delivered under this Subordinate Indenture. It shall not be necessary that the same Person sign the certificate of authentication on all of the Subordinate Bonds.

Section 2.06 Mutilated, Lost, Stolen or Destroyed Subordinate Bonds. In the event any Subordinate Bond is mutilated, lost, stolen or destroyed, the Issuer shall execute and the

Trustee shall authenticate a new Subordinate Bond of like interest rate, series, maturity and tenor in exchange and substitution for and upon cancellation of such mutilated Subordinate Bond or in lieu of and in substitution for such lost, stolen or destroyed Subordinate Bond, upon payment by the Owner thereof of any applicable tax or governmental charge and the reasonable expenses and charges of the Issuer and the Trustee in connection therewith, and in the case of a Subordinate Bond lost, stolen or destroyed, the filing with the Trustee of evidence satisfactory to it that such Subordinate Bond was lost, stolen or destroyed, and of the ownership thereof, and furnishing the Issuer and the Trustee with indemnity satisfactory to each of them. In the event any such Subordinate Bond shall have matured, instead of issuing a duplicate Subordinate Bond or Subordinate Bonds the Issuer may pay the same without surrender thereof.

Section 2.07 Transfer and Exchange of Subordinate Bonds; Persons Treated as Owners; Restrictions on Transfer. The Trustee as Subordinate Bond Registrar shall cause a Subordinate Bond Register to be kept for the registration of transfers of Subordinate Bonds. Any Subordinate Bond may be transferred only upon an assignment duly executed by the registered Owner or such registered Owner's duly authorized representative in such form as shall be satisfactory to the Subordinate Bond Registrar and upon surrender of such Subordinate Bond to the Trustee for cancellation. Whenever any Subordinate Bond or Subordinate Bonds shall be surrendered for transfer, the Issuer shall execute and the Trustee shall authenticate and deliver to the transferee a replacement fully registered Subordinate Bond for the amount of such Subordinate Bond so surrendered.

In all cases in which Subordinate Bonds shall be transferred or exchanged hereunder, the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange. The cost of printing Subordinate Bonds and any services rendered or expenses incurred by the Trustee in connection with any transfer or exchange shall be paid by the Borrower.

The Person in whose name any Subordinate Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of or on account of the principal of and interest on any such Subordinate Bond shall be made only to or upon the order of the registered Owner thereof, or such registered Owner's legal representative, and neither the Issuer nor the Trustee shall be affected by any notice to the contrary. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Subordinate Bond to the extent of the sum or sums to be paid.

Neither the Issuer nor the Trustee shall be required to make any such exchange, registration or transfer of Subordinate Bonds during the period of fifteen (15) days immediately preceding an Subordinate Bond Payment Date or, in the case of any proposed redemption of Subordinate Bonds, during the period of fifteen (15) days immediately preceding the selection of Subordinate Bonds for such redemption and after the giving of notice of redemption, the Trustee is not required to transfer or exchange any Subordinate Bond or portion thereof which has been called for redemption.

Restrictions on Transfer. The following shall apply to all sales and transfers of the Subordinate Bonds after the applicable initial sale and delivery of the Subordinate Bonds:

(a) The Subordinate Bonds, including participation interests therein, in the form attached hereto as Exhibit A, shall be physical certificated instruments, and shall not be held in a book-entry only system unless approved in advance by the Issuer;

(b) The Subordinate Bonds shall be sold only in whole to a Sophisticated Investor; and

(c) The Trustee shall not authenticate or register a Subordinate Bond unless it has received a certificate from the Issuer stating that the conditions of this Section 2.07 have been satisfied and there shall have been delivered to the Trustee a purchaser's letter in the form and substance attached as Exhibit B hereto executed by the transferee of the Subordinate Bonds.

Section 2.08 Delivery of Subordinate Bonds. Upon the execution and delivery of this Subordinate Indenture, the Issuer shall execute and deliver to the Trustee, and the Trustee shall authenticate the Subordinate Bonds and deliver them to or upon the order of the Issuer upon receipt by the Trustee of the following:

(a) executed counterparts of this Subordinate Indenture, the Subordinate Loan Agreement, the Regulatory Agreement, and the Tax Certificate;

(b) an opinion of Bond Counsel to the effect that the Subordinate Bonds are valid and binding special obligations of the Issuer;

(c) evidence satisfactory to the Trustee of the Subordinate Loan and Subordinate Note (representing the purchase price of the Subordinate Bonds);

(d) a copy of the Subordinate Mortgage;

(e) an opinion of counsel to the Borrower to the effect that the Borrower is duly organized and validly existing and in good standing under the laws of the state in which it has been organized and in good standing under the laws of each other state in which the Borrower transacts business and has full power and authority to enter into the agreements described herein to which it is a party, that its execution and delivery of and performance of its covenants in such agreements do not contravene law or any provision of any other agreement to which it is a party or by which it or such property is bound or affected, and that all such agreements have been duly authorized, executed and delivered by the Borrower, and are legal, valid and binding agreements of the Borrower enforceable against the Borrower in accordance with their respective terms;

(f) an opinion of Bond Counsel substantially to the effect that the Subordinate Bonds constitute legal, valid and binding obligations of the Issuer and that under existing law, the interest on the Bonds is not includable in gross income of the owners of the Subordinate Bonds (other than a bondowner who is a "substantial user" of the Project or a "related person" to a "substantial user," as defined in Section 147(a) of the Code) for federal income tax purposes;

(g) a certified copy of the Bond Resolution; and

(h) the written request and authorization to the Trustee by the Issuer to authenticate and deliver the Subordinate Bonds in accordance with the provisions of this Subordinate Indenture.

Section 2.09 Establishment of Subordinate Loan Fund; Application of Bond Proceeds and Other Money; Assignment of Subordinate Loan to Trustee.

(a) The Trustee shall establish, maintain and hold in trust, and there is hereby established with the Trustee, a Subordinate Loan Fund. No amount shall be charged against the Subordinate Loan Fund except as expressly provided in this Section 2.09 and Section 4.02.

(b) On the Closing Date, the Bonds shall be issued to the Bondholder in exchange for its transfer to the Borrower of a portion of the real property constituting the Project.

(c) Upon the transfer to the Borrower of a portion of the real property constituting the Project, the Issuer shall originate the Subordinate Loan pursuant to the Subordinate Loan Agreement.

Section 2.10 Subordination. This Subordinate Indenture and the Subordinate Loan Agreement are and at all times shall be subject and subordinate in all respects to the terms, provisions, conditions, covenants, liens and security interests of the Senior Loan Documents. Correspondingly, payment of the indebtedness evidenced by the Subordinate Bonds is and shall be subject and subordinate in all respects to the prior payment in full of all amounts due and payable in respect of the Senior Obligations and the Senior Loan Documents, and otherwise under the Senior Loan Documents. Accordingly, the Subordinate Bondholders expressly subject and subordinate all of their right, title and interest in and to the Subordinate Bonds in all respects to (i) the payment in full of the Senior Obligations, (ii) the payment in full of the Senior Loans, (iii) the lien of the "Revenues" (as defined in the Senior Bond Indenture) pledged under the Senior Bond Indenture and of the Senior Mortgages and (iv) the payment in full of all amounts owed to the Senior Bondowner under the Senior Bond Loan Documents. In addition, notwithstanding anything contained in this Subordinate Indenture, the Subordinate Loan Agreement, the Subordinate Note or the Subordinate Mortgage to the contrary, the Issuer and the Trustee agree, and the Subordinate Bondholders by their acceptance of the Subordinate Bonds agree, that:

(a) the sole source of funds available to the Issuer for the purpose of paying the principal of, and interest on, the Subordinate Bonds shall be the Revenues, if and to the extent available;

(b) the Subordinate Note is payable solely from, and only to the extent of, the Revenues, if and to the extent available; provided, however, nothing herein shall prohibit Borrower from making payments on the Subordinate Note from Borrower funds other than Revenues;

(c) payments of the principal of, and interest on, the Subordinate Note shall be made only after all current and past due Senior Obligations have been paid in full and shall be subject to the terms and conditions of the Subordination Agreement;

(d) the security for the Subordinate Loan and the Subordinate Note shall be the Subordinate Mortgage, which shall be wholly subordinate to the Senior Mortgages encumbering the same Project;

(e) the obligation of the Borrower to repay the Subordinate Loan is and shall be subject and subordinate in all respects to the obligations of the Borrower to pay all amounts

due in respect of the Senior Obligations, whether under the Senior Loan Documents or otherwise;

(f) so long as any amounts are currently due and owing in respect of the Senior Obligations, whether under the Senior Loan Documents or otherwise, the Trustee shall not be entitled to accelerate the Subordinate Note or to foreclose on the Subordinate Mortgage notwithstanding (1) any arrearages in the payments of any amounts due and owing under or with respect to the Subordinate Bonds or (2) any default in respect of the Subordinate Bonds, the Subordinate Note, the Subordinate Mortgage or the Subordinate Loan except as consented to in writing by the Senior Lenders;

(g) unpaid principal and interest on the Subordinate Bonds resulting from insufficient Revenues will accrue and shall be payable solely from, and only to the extent of, Revenues, provided further that payment of principal and interest is and shall remain subject and subordinate to the Senior Obligations; and

(h) unpaid principal and interest on the Subordinate Bonds shall be payable at maturity, subject to mandatory redemption, and shall remain subject and subordinate to the Senior Obligations.

Failure to make any payment in respect of the Subordinate Bonds or otherwise under this Subordinate Indenture shall not constitute an Event of Default under (and as defined in) this Subordinate Indenture. The Trustee shall not, after the Trustee receives a notice of default or otherwise acquires knowledge of a default or an Event of Default by the Borrower with respect to the Senior Obligations, the Senior Loans or under any Senior Loan Document, make any payments in respect of the Subordinate Bonds unless and until such default, Event of Default or potential default has been cured or waived by the Subordinate Bondholder Representative.

The parties to this Subordinate Indenture acknowledge that the terms of this Subordinate Indenture are in all respects subject to the Senior Loan Documents.

Section 2.11 City Administrative Fee. Upon the retirement of the Senior Obligations and discharge of the Senior Bond Indenture, the Trustee shall collect the Issuer's annual administrative fee described in Section 7(a) of the Regulatory Agreement and promptly upon receipt remit it to the Issuer. The Trustee may establish a fund or account in its records to deposit and disburse the amounts collected by it for payment of the Issuer's annual administrative fee.

Section 2.12 Recycling Transactions. Notwithstanding any provision of this Subordinate Indenture or the Subordinate Bonds to the contrary, the Issuer shall be permitted to direct Subordinate Note prepayments to be transferred to a custodian or trustee selected by the Issuer, in lieu of application to prepay a like portion of the Subordinate Bonds, so long as the Issuer simultaneously causes other funds to be applied to prepay such portion of the Subordinate Bonds. The preceding provisions shall apply only for purposes of preserving or "recycling" private activity bond volume cap in accordance with Section 146(i)(6) of the Code.

ARTICLE III

REDEMPTION OF SUBORDINATE BONDS PRIOR TO MATURITY

Section 3.01 Redemption of Subordinate Bonds Prior to Maturity. The Subordinate Bonds are subject to redemption upon the circumstances, on the dates and at the prices set forth as follows:

(a) The Subordinate Bonds shall be subject to mandatory redemption in whole or in part, after satisfaction of all requirements of the Senior Loan Documents, on the next Subordinate Bond Payment Date for which notice of redemption can timely be given, at a redemption price equal to the principal amount of Subordinate Bonds to be redeemed plus interest accrued thereon to the date fixed for redemption upon prepayment of the Subordinate Loan in whole or in part following a casualty to or condemnation of the Project (unless the Borrower has elected to repair and restore the Project in accordance with the terms of the Subordinate Bond Documents); such mandatory redemption shall be in an amount as nearly equal as possible to, but not exceeding, the amount of any Net Proceeds of insurance or condemnation awards not used to repair or replace the Project.

(b) The Subordinate Bonds shall be subject to mandatory redemption in whole on the next date for which notice of redemption can timely be given at a redemption price equal to the principal amount of the Subordinate Bonds to be redeemed plus interest accrued thereon to the date fixed for redemption upon acceleration of the Subordinate Loan in whole following an Event of Default under Article VII of the Subordinate Loan Agreement, except as otherwise provided in Article VI of this Indenture.

(c) Except as otherwise provided in this Article III the Subordinate Bonds are subject to optional redemption in whole or in part on any Business Day for which notice of redemption can timely be given, in the event and to the extent that the Subordinate Loan is prepaid pursuant to the Subordinate Note as set forth in Section 4.3 of the Subordinate Loan Agreement, at a redemption price equal to the principal amount of Subordinate Bonds to be redeemed, plus accrued interest to the date fixed for redemption. Any optional redemption of the Subordinate Bonds are subject to the approval rights of (i) the Investor Limited Partner as set forth in the Partnership Agreement, and (ii) the Senior Bondowner as set forth in the Senior Bond Loan Documents.

(d) The Subordinate Bonds are subject to mandatory redemption in whole or in part on any Business Day for which notice of redemption can timely be given, in the event and to the extent the Subordinate Bondholder Representative notifies the Trustee in writing that, subject to and in accordance with the terms and conditions of the Partnership Agreement, there are net proceeds available from (i) a sale or exchange of any assets of the Borrower, (ii) any financing or refinancing of the Project, (iii) the liquidation of the Borrower, or (iv) any other transaction where the proceeds are deemed attributable to capital under generally accepted accounting principles.

(e) The Subordinate Bonds are subject to mandatory redemption in whole or part on each Subordinate Bond Payment Date, without notice, solely from available Revenues received by the Trustee pursuant to the provisions of the Subordinate Note and the Subordinate Loan Agreement that remain after the payment of interest on the Subordinate Bonds on such Subordinate Bond Payment Date.

Section 3.02 Notice of Redemption. Notice of the intended redemption of each Subordinate Bond shall be given by the Trustee by first class mail, postage prepaid, or by facsimile transmission, to the registered Owner at the address of such Owner shown on the Subordinate Bond Register. All such redemption notices shall be given not less than ten (10) days prior to the date fixed for redemption. The Trustee may provide a conditional notice of redemption.

Notices of redemption shall state the redemption date and the redemption price, the place or places where amounts due upon such redemption will be payable, and, if less than all of the then Outstanding Subordinate Bonds are called for redemption, shall state (i) the numbers of the Subordinate Bonds to be redeemed by giving the individual certificate number of each Subordinate Bond to be redeemed or shall state that all Subordinate Bonds between two stated certificate numbers, both inclusive, are to be redeemed or that all of the Subordinate Bonds of one or more maturities have been called for redemption only if bonds cease to be book entry-bonds; (ii) the Maturity Date of each Subordinate Bond being redeemed; (iii) the conditions, if any, which must be satisfied in order for the redemption to take place on the scheduled date of redemption, and (iv) any other descriptive information needed to identify accurately the Subordinate Bonds being redeemed.

Failure to give notice by mailing to the registered Owner of any Subordinate Bond designated for redemption or to any depository or information service shall not affect the validity of the proceedings for the redemption of any other Subordinate Bond if notice of such redemption shall have been mailed as herein provided.

Notwithstanding anything to the contrary set forth in Sections 3.01(c), so long as either (1) the Bond Purchaser remains the sole Owner of 100% of the Subordinate Bonds Outstanding, or (2) any successor Owner of the Subordinate Bonds has provided written waiver of such notice, the Trustee shall not provide notice of optional or mandatory redemption made pursuant to Sections 3.01(c), 3.01(d), 3.01(e) or 3.01(f) hereof.

Section 3.03 Effect of Notice of Redemption. If a conditional notice of redemption has been provided pursuant to the terms of this Subordinate Indenture and the conditions are not satisfied, such notice of redemption shall be of no force and effect and the Subordinate Bondholders shall be restored to their former positions as though no such notice of redemption had been delivered. Notice of redemption having been given in the manner provided in this Article III and if either there were no conditions to such redemption or the conditions have been satisfied (or in the event no such notice is required under Section 3.02), and money for the redemption being held by the Trustee for that purpose, thereupon the Subordinate Bonds so called for redemption shall become due and payable on the redemption date, and interest thereon shall cease to accrue on such date; and such Subordinate Bonds shall thereafter no longer be entitled to any security or benefit under this Subordinate Indenture except to receive payment of the redemption price thereof.

ARTICLE IV

REVENUES AND FUNDS

Section 4.01 Pledge of Revenues and Assets; Establishment of Funds. The pledge and assignment of and the security interest granted in the Subordinate Trust Estate pursuant to the Granting Clauses hereof shall attach, be perfected and be valid and binding from and after the time of the delivery of the Subordinate Bonds by the Trustee or by any

Person authorized by the Trustee to deliver the Subordinate Bonds. The Subordinate Trust Estate so pledged and then or thereafter received by the Trustee shall immediately be subject to the lien of such pledge and security interest without any physical delivery thereof or further act, and the lien of such pledge and security interest shall be valid and binding and prior to the claims of any and all parties having claims of any kind in tort, contract or otherwise against the Issuer irrespective of whether such parties have notice thereof.

In addition to the Subordinate Loan Fund established therein pursuant to Section 2.09 hereof, the Trustee shall establish, maintain and hold in trust the Revenue Fund, which fund is hereby established and which shall be disbursed and applied only as herein authorized.

The funds and accounts established pursuant to this Section 4.01 shall be maintained in the corporate trust department of the Trustee as segregated trust accounts, separate and identifiable from all other funds held by the Trustee. The funds and accounts established hereunder shall bear a designation clearly indicating that the funds deposited therein are held for the benefit of the Holders of the Subordinate Bonds, respecting the Revenue Fund and the Subordinate Bond Fund. The Trustee shall, at the written direction of an Authorized Officer of the Issuer, and may, in its discretion, establish such additional accounts within any Fund, and subaccounts within any of the accounts, as the Issuer or the Trustee may deem necessary or useful for the purpose of identifying more precisely the sources of payments into and disbursements from that Fund and its accounts, or for the purpose of complying with the requirements of the Code relating to arbitrage, but the establishment of any such account or subaccount shall not alter or modify any of the requirements of this Subordinate Indenture with respect to a deposit or use of money in the funds established hereunder, or result in commingling of funds not permitted hereunder.

Section 4.02 Subordinate Loan Fund. The Trustee shall deposit the proceeds of the Bonds as provided in Section 2.09 and disburse amounts deposited in the Subordinate Loan Fund immediately upon receipt to the Borrower in funding of the Subordinate Loan. No amounts shall be invested or retained in the Subordinate Loan Fund.

Section 4.03 Application of Revenues.

(a) All Revenues, if any, shall be deposited by the Trustee, promptly upon receipt thereof, to the Revenue Fund, except (i) with respect to investment earnings to the extent required under the terms hereof to be retained in the funds and accounts to which they are attributable; and (ii) with respect to amounts required to be transferred between funds and accounts as provided in this Article IV.

(b) On each Subordinate Bond Payment Date or any other date on which payment of principal of or interest on the Subordinate Bonds becomes due and payable, the Trustee shall credit from the Revenue Fund to the Subordinate Bond Fund an amount equal to the principal of and interest payable from Revenues to such period on the Subordinate Bonds on such date.

(c) Promptly upon receipt, the Trustee shall deposit directly to the Subordinate Bond Fund (i) Net Proceeds representing casualty insurance proceeds or condemnation awards paid as a prepayment of the Subordinate Loan, after reimbursement of any and all amounts owed to the Subordinate Bondholder Representative (and subject to the Borrower's right to repair and restore the Property as set forth in the Subordinate Loan

Documents) and (ii) amounts paid to the Trustee to be applied to the redemption of all or a portion of the Subordinate Bonds pursuant to Article III hereof.

(d) Should the amount in the Subordinate Bond Fund be insufficient to pay the amount due on the Subordinate Bonds on any given Subordinate Bond Payment Date or other payment date, the Trustee shall credit to the Subordinate Bond Fund the amount of such deficiency by charging the Revenue Fund; provided, however, in no event shall the amount due on the Subordinate Bonds exceed the Revenues, if any, for such applicable period.

Section 4.04 Application of Subordinate Bond Fund. The Trustee shall charge the Subordinate Bond Fund, on each Subordinate Bond Payment Date, an amount equal to available Revenues, if any, for such period, which shall be applied to interest due on the Subordinate Bonds on such Subordinate Bond Payment Date, and shall cause the same to be applied to the payment of such interest when due.

Income realized from the investment or deposit of money in the Subordinate Bond Fund shall be deposited by the Trustee upon receipt thereof in the Revenue Fund.

No amount shall be charged against the Subordinate Bond Fund except as expressly provided in this Article IV and in Section 6.05.

Section 4.05 Investment of Funds. The money held by the Trustee shall constitute trust funds for the purposes hereof. Any money attributable to each of the funds and accounts hereunder shall be, except as otherwise expressly provided herein, invested by the Trustee, at the written direction of the Borrower in Investment Securities. The Trustee may purchase from or sell to itself or an affiliate, as principal or agent, securities herein authorized. The Trustee shall be entitled to assume, absent receipt by the Trustee of written notice to the contrary, that any investment that at the time of purchase is an Investment Security remains as Investment Security thereafter.

Investment Securities representing an investment of money attributable to any fund or account shall be deemed at all times to be a part of said fund or account, and, except as otherwise may be provided expressly in other Sections hereof, the interest thereon and any profit arising on the sale thereof shall be credited to the Revenue Fund, and any loss resulting on the sale thereof shall be charged against the Revenue Fund. Such investments shall be sold at the best price obtainable (at least par) whenever it shall be necessary so to do in order to provide money to make any transfer, withdrawal, payment or disbursement from said fund or account. In the case of any required transfer of money to another such fund or account, such investments may be transferred to that fund or account in lieu of the required money if permitted hereby as an investment of money in that fund or account. The Trustee shall not be liable or responsible for any loss resulting from any investment made in accordance herewith.

The Issuer acknowledges that to the extent that regulations of the Comptroller of the Currency or other applicable regulatory agency grant the Issuer the right to receive brokerage confirmations of the security transactions as they occur. To the extent permitted by law, the Issuer specifically waives compliance with 12 C.F.R. 12 and hereby notifies the Trustee hereunder, that no brokerage confirmations need be sent relating to the security transactions as they occur.

Section 4.06 Money Held for Particular Subordinate Bonds; Funds Held in Trust. The amounts held by the Trustee for the payment of the interest, principal or redemption price

due on any date with respect to particular Subordinate Bonds pending such payment, shall be set aside and held in trust by it for the Holders of the Subordinate Bonds entitled thereto, and for the purposes hereof, such interest, principal or redemption price, after the due date thereof, shall no longer be considered to be unpaid.

All money held by the Trustee for such purpose at any time pursuant to the terms of this Subordinate Indenture shall be and hereby are assigned, transferred and set over unto the Trustee in trust for the purposes and under the terms and conditions of this Subordinate Indenture.

Section 4.07 Accounting Records. The Trustee shall maintain accurate books and records for all funds and accounts established hereunder and provide monthly statements (or other electronic access as agreed to by the parties) of such funds and accounts to the Issuer and the Borrower upon request.

Section 4.08 Amounts Remaining in Funds. After full payment of the Subordinate Bonds (or provision for payment thereof having been made in accordance with Section 9.01 hereof) and full payment of the fees, charges and expenses of the Issuer and the Trustee and other amounts required to be paid hereunder or under any Subordinate Loan Document, any amounts remaining in any fund or account hereunder shall be paid to the Borrower.

ARTICLE V

GENERAL COVENANTS AND REPRESENTATIONS

Section 5.01 Payment of Principal and Interest. The Issuer covenants that it will promptly pay or cause to be paid, but only from the sources identified herein, sufficient amounts to provide for the payment of the principal of, and interest on the Subordinate Bonds at the place, on the dates and in the manner provided herein and in the Subordinate Bonds, according to the true intent and meaning thereof.

Section 5.02 Performance of Covenants. The Issuer covenants that it will faithfully perform at all times any and all of its covenants, undertakings, stipulations and provisions contained in this Subordinate Indenture, in any and every Subordinate Bond executed, authenticated and delivered hereunder and in all proceedings pertaining thereto.

Section 5.03 Representations and Warranties of the Issuer. The Issuer hereby represents and warrants as follows:

(a) The Issuer is a municipal corporation and chartered city duly organized and existing pursuant to its charter and the laws and constitution of the State of California.

(b) The Issuer has all necessary power and authority to issue the Subordinate Bonds and to execute and deliver this Subordinate Indenture, the Subordinate Loan Agreement and the other Subordinate Bond Documents to which it is a party, and to perform its duties and discharge its obligations hereunder and thereunder.

(c) Except with respect to the Senior Obligations, the revenues and assets pledged for the repayment of the Subordinate Bonds are and will be free and clear of any pledge, lien or encumbrance prior to, or equal with, the pledge created by this Subordinate Indenture, and all action on the part of the Issuer to that end has been duly and validly taken.

(d) The Subordinate Bond Documents to which the Issuer is a party have been validly authorized, executed and delivered by the Issuer, and assuming due authorization, execution and delivery by the other parties thereto, constitute valid and binding obligations of the Issuer, enforceable against the Issuer in accordance with their respective terms, except as enforceability may be limited by bankruptcy, insolvency, moratorium or other laws affecting creditors' rights generally and the application of equitable principles.

Section 5.04 Inspection of Project Books. The Issuer covenants and agrees that all books and documents in its possession relating to the Project shall, upon reasonable prior notice, during normal business hours, be open to inspection and copying by such accountants or other agents as the Trustee or the Subordinate Bondholder Representative may from time to time reasonably designate.

Section 5.05 Damage, Destruction or Condemnation. Net Proceeds resulting from casualty to or condemnation of the Project shall be applied, after satisfaction of all payment requirements under the Senior Loan Documents, as provided in the Subordinate Loan Documents.

Section 5.06 Tax Covenants.

(a) Issuer's Covenants. The Issuer covenants to and for the benefit of the Holders of the Subordinate Bonds that it will:

(i) neither make or use nor cause to be made or used any investment or other use of the proceeds of the Subordinate Bonds or the money and investments held in the funds and accounts in any manner which would cause the Subordinate Bonds to be arbitrage bonds under Section 148 of the Code and the Regulations issued under Section 148 of the Code (the "Regulations") or which would otherwise cause the interest payable on the Subordinate Bonds to be includable in gross income for federal income tax purposes;

(ii) enforce or cause to be enforced all obligations of the Borrower under the Regulatory Agreement in accordance with its terms and seek to cause the Borrower to correct any violation of the Regulatory Agreement within a reasonable period after it first discovers or becomes aware of any such violation;

(iii) not take or cause to be taken any other action or actions, or fail to take any action or actions, if the same would cause the interest payable on the Subordinate Bonds to be includable in gross income for federal income tax purposes;

(iv) at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the Issuer on the Subordinate Bonds will be excluded from the gross income for federal income tax purposes, of the Subordinate Bondholders pursuant to the Code, except in the event where any such owner of Subordinate Bonds is a "substantial user" of the facilities financed with the Subordinate Bonds or a "related person" within the meaning of the Code; and

(v) not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Subordinate Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code and the Regulations.

In furtherance of the covenants in this Section 5.06, the Issuer and the Borrower shall execute, deliver and comply with the provisions of the Tax Certificate, which is by this reference incorporated into this Subordinate Indenture and made a part of this Subordinate Indenture as if set forth in this Subordinate Indenture in full, and by its acceptance of this Subordinate Indenture the Trustee acknowledges receipt of the Tax Certificate and acknowledges its incorporation into this Subordinate Indenture by this reference and agrees to comply with the terms specifically applicable to it. In the event of a conflict between the terms of this Subordinate Indenture and the Tax Certificate, the terms of the Tax Certificate shall control.

(b) Trustee's Covenants. The Trustee agrees that it will invest funds held under this Subordinate Indenture in accordance with the covenants and terms of this Subordinate Indenture and the Tax Certificate (this covenant shall extend through the term of the Subordinate Bonds, to all funds and accounts created under this Subordinate Indenture and all money on deposit to the credit of any such fund or account). The Trustee covenants to and for the benefit of the Subordinate Bondholders that, notwithstanding any other provisions of this Subordinate Indenture or of any other Loan Document, it will not knowingly make or cause to be made any investment or other use of the money in the funds or accounts created hereunder which would cause the Subordinate Bonds to be classified as "arbitrage bonds" within the meaning of Sections 103(b) and 148 of the Code or would cause the interest on the Subordinate Bonds to be includable in gross income for federal income tax purposes; provided that the Trustee shall be deemed to have complied with such requirements and shall have no liability to the extent it reasonably follows the written directions of the Borrower or the Issuer. This covenant shall extend, throughout the term of the Subordinate Bonds, to all funds created under this Subordinate Indenture and all money on deposit to the credit of any such fund. Pursuant to this covenant, with respect to the investments of the funds and accounts under this Subordinate Indenture, the Trustee obligates itself to comply throughout the term of the issue of the Subordinate Bonds with the requirements of Sections 103(b) and 148 of the Code; provided that the Trustee shall be deemed to have complied with such requirements and shall have no liability to the extent it reasonably follows the written directions of the Borrower or the Issuer. The Trustee further covenants that should the Issuer or the Borrower file with the Trustee (it being understood that neither the Issuer nor the Borrower has an obligation to so file), or should the Trustee receive, an opinion of Bond Counsel to the effect that any proposed investment or other use of proceeds of the Subordinate Bonds would cause the Subordinate Bonds to become "arbitrage bonds," then the Trustee will comply with any written instructions of the Issuer, the Borrower or Bond Counsel regarding such investment (which shall, in any event, be an Investment Security) or use so as to prevent the Subordinate Bonds from becoming "arbitrage bonds," and the Trustee will bear no liability to the Issuer, the Borrower or the Subordinate Bondholders for investments made in accordance with such instructions.

ARTICLE VI

DEFAULT PROVISIONS AND REMEDIES OF TRUSTEE AND SUBORDINATE BONDHOLDERS

Section 6.01 Events of Default. Subject to applicable notice and cure rights, each of the following shall be an event of default with respect to the Subordinate Bonds (an "Event of Default") under this Subordinate Indenture:

(a) failure to pay the principal of, or interest on any Subordinate Bond when due, to the extent sufficient Revenues are available therefor;

(b) failure by the Issuer or the Trustee to perform or observe any other of the covenants, agreements or conditions on its part in this Subordinate Indenture or in the Subordinate Bonds contained, and the continuation of such failure for a period of thirty (30) days after written notice thereof, specifying such default and requiring the same to be remedied, shall have been given to the Issuer or the Trustee by the Borrower, the Trustee or the Issuer, as applicable, or by the holders of not less than a majority in aggregate principal amount of the Subordinate Bonds at the time Outstanding; or if the breach is not reasonably capable of being cured, the Issuer or the Trustee does not commence to cure, correct or remedy such breach within thirty (30) days after receipt of a written notice specifying such breach and does not thereafter prosecute such cure, correction or remedy with diligence to completion; or

(c) the occurrence of any Event of Default under the Subordinate Loan Agreement upon written notice thereof, specifying such default and requiring the same to be remedied, delivered to the Issuer or the Trustee by the Borrower, the Trustee or the Issuer, as applicable, or by the holders of not less than a majority in aggregate principal amount of the Subordinate Bonds at the time Outstanding.

Prior to the Maturity Date, the Trustee and the Issuer agree that a failure to pay any amounts required to be paid under this Subordinate Indenture as a result of a deficiency of available Revenues shall not constitute an Event of Default hereunder.

Notwithstanding anything to the contrary contained herein, the Borrower's Investor Limited Partner shall have the right, but not the obligation, to cure an Event of Default hereunder. Any cure of any default made or tendered by Investor Limited Partner shall be deemed to be a cure by Borrower and shall be accepted or rejected on the same basis as if made or tendered by Borrower.

Section 6.02 Acceleration; Other Remedies Upon Event of Default.

(a) Upon the occurrence of an Event of Default under Section 6.01(b) hereof, the Trustee shall, upon the written direction of the Subordinate Bondholder Representative, and the consent of the Senior Bondowner, if required, and receipt of indemnity satisfactory to it, by notice in writing delivered to the Issuer, declare the principal of all Subordinate Bonds then Outstanding and the interest accrued thereon immediately due and payable, and interest shall continue to accrue thereon until such amounts are paid.

(b) Upon the occurrence of an Event of Default (other than an Event of Default under Section 6.01(b) hereof), the Trustee shall, but only upon the written direction of the Subordinate Bondholder Representative, by notice in writing delivered to the Issuer, declare the principal of all Subordinate Bonds then Outstanding and the interest accrued thereon immediately due and payable and interest on the Subordinate Bonds shall cease to accrue, anything contained in this Subordinate Indenture or in the Subordinate Bonds to the contrary notwithstanding.

If at any time after the Subordinate Bonds shall have been so declared due and payable, and before any judgment or decree for the payment of the money due shall have been obtained or entered, the Issuer or the Borrower shall pay to or deposit with the Trustee a sum sufficient to pay all principal of the Subordinate Bonds then due (other than solely by reason of such declaration) and all unpaid installments of interest (if any) upon all the Subordinate Bonds then due, with interest at the rate borne by the Subordinate Bonds on such overdue principal and (to the extent legally enforceable) on such overdue installments of interest, and the

reasonable fees and expenses of the Trustee (including its counsel) shall have been made good or cured or adequate provision shall have been made therefor (collectively, the "Cure Amount")) shall have been paid in full, and all other defaults hereunder shall have been made good or cured or waived in writing by the Subordinate Bondholder Representative, then and in every case, the Trustee on behalf of the Holders of all the Outstanding Subordinate Bonds shall rescind and annul such declaration and its consequences; but no such rescission and annulment shall extend to or shall affect any subsequent default, nor shall it impair or exhaust any right or power consequent thereon.

Upon the occurrence and during the continuance of an Event of Default, the Trustee in its own name and as trustee of an express trust, on behalf and for the benefit and protection of the Holders of all Subordinate Bonds with respect to which such an Event of Default has occurred (if no Event of Default has occurred and is continuing under Section 6.01(b)), may also proceed to protect and enforce any rights of the Trustee and, to the full extent that the Holders of such Subordinate Bonds themselves might do, the rights of such Subordinate Bondholders under the laws of the State or under this Subordinate Indenture by such of the following remedies as the Trustee shall deem most effectual to protect and enforce such rights:

(i) by mandamus or other suit, action or proceeding at law or in equity, to enforce the payment of the principal of or interest on the Subordinate Bonds then Outstanding and to require the Issuer to carry out any covenants or agreements with or for the benefit of the Subordinate Bondholders and to perform its duties under the Act, this Subordinate Indenture, the Subordinate Loan Agreement or the Regulatory Agreement to the extent permitted under the applicable provisions thereof;

(ii) by pursuing any available remedies under the Subordinate Loan Agreement or any Subordinate Loan Document or the Regulatory Agreement;

(iii) by realizing or causing to be realized through sale or otherwise upon the security pledged hereunder; and

(iv) by action or suit in equity enjoin any acts or things that may be unlawful or in violation of the rights of the Holders of the Subordinate Bonds and execute any other papers and documents and do and perform any and all such acts and things as may be necessary or advisable in the opinion of the Trustee in order to have the respective claims of the Subordinate Bondholders against the Issuer allowed in any bankruptcy or other proceeding.

No remedy by the terms of this Subordinate Indenture conferred upon or reserved to the Trustee or to the Subordinate Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee, the Subordinate Bondholders hereunder or under the Subordinate Loan Agreement or any other Subordinate Loan Document or the Regulatory Agreement, as applicable, or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient. No waiver of any Event of Default hereunder, whether by the Trustee or the Subordinate Bondholders, shall extend to or shall affect any subsequent default or event of default or shall impair any rights or remedies consequent thereto.

Section 6.03 Rights of Subordinate Bondholders. If an Event of Default under Section 6.01(b) hereof shall have occurred and is then continuing, and if requested in writing so to do by the Holder of 100% of the aggregate principal amount of the Subordinate Bonds then Outstanding with respect to which there is a default, and if indemnified to its satisfaction, the Trustee shall exercise one or more of the rights and powers conferred by this Article as the Trustee, being advised by counsel or a committee of Responsible Officers, shall deem to be in the best interest of the affected Subordinate Bondholders. If an Event of Default under Section 6.01(b) hereof shall have occurred and is then continuing, the Holder of 100% of the aggregate principal amount of the Subordinate Bonds then Outstanding with respect to which an Event of Default has occurred shall have the right at any time, subject to the provisions of Section 6.07 hereof, by an instrument in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Subordinate Indenture, or for the appointment of a receiver or any other proceedings hereunder, in accordance with the provisions of law and of this Subordinate Indenture.

Section 6.04 Waiver by Issuer. Upon the occurrence of an Event of Default, to the extent that such right may then lawfully be waived, neither the Issuer nor anyone claiming through or under it shall set up, claim or seek to take advantage of any appraisal, valuation, stay, extension or redemption laws now or hereinafter in force, in order to prevent or hinder the enforcement of this Subordinate Indenture; and the Issuer, for itself and all who may claim through or under it, hereby waives, to the extent that it lawfully may do so, the benefit of all such laws and all right of appraisal and redemption to which it may be entitled under the laws of the State and the United States.

Section 6.05 Application of Money After Default. All money collected by the Trustee at any time pursuant to this Article VI shall, except to the extent, if any, otherwise directed by a court of competent jurisdiction, be credited by the Trustee to the Revenue Fund. Such money so credited to the Revenue Fund and all other money from time to time credited to the Revenue Fund shall at all times be held, transferred, withdrawn and applied as prescribed by the provisions of Article IV hereof and this Section 6.05.

In the event that at any time the money credited to the Revenue Fund and the Subordinate Bond Fund available for the payment of interest or principal then due with respect to the Subordinate Bonds shall be insufficient for such payment, such money (other than money held for the payment or redemption of particular Subordinate Bonds as provided in Section 4.08 hereof) shall be applied as follows and in the following order of priority:

(a) For payment of all amounts due to the Trustee incurred in performance of its duties under this Subordinate Indenture, including, without limitation, the payment of all reasonable fees and expenses of the Trustee incurred in exercising any remedies under this Subordinate Indenture;

(b) Unless the principal of all Subordinate Bonds shall have become or have been declared due and payable:

FIRST: to the payment to the Persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available is not sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the Persons entitled thereto, without any discrimination or preference; and

SECOND: to the payment to the Persons entitled thereto of the unpaid principal of and, on any Subordinate Bonds which shall have become due, whether at maturity or by call for redemption, in the order in which they became due and payable, and, if the amount available is not sufficient to pay in full all the principal of and, on the Subordinate Bonds so due on any date, then to the payment of principal ratably, according to the amounts due on such date, to the Persons entitled thereto, without any discrimination or preference, and then to the payment of any premium (if any) due on the Subordinate Bonds, ratably, according to the amounts due on such date, to the Persons entitled thereto, without any discrimination or preference.

(c) If the principal of all of the Subordinate Bonds shall have become or have been declared due and payable, to the payment of the principal of, and interest then due and unpaid upon the Subordinate Bonds without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Subordinate Bond over any other Subordinate Bond, ratably, according to the amounts due, respectively, for principal and interest, to the Persons entitled thereto without any discrimination or preference except as to any differences in the respective rates of interest specified in the Subordinate Bonds.

Section 6.06 Remedies Vested in Trustee. All rights of action, including the right to file proof of claims, under this Subordinate Indenture or under any of the Subordinate Bonds may be enforced by the Trustee without the possession of any of the Subordinate Bonds or the production thereof in any trial or other proceedings relating thereto and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any Holders of the Subordinate Bonds, and any recovery or judgment shall be for the mutual benefit as provided herein of all of the Holders of the Outstanding Subordinate Bonds.

Section 6.07 Remedies of Subordinate Bondholders. No Holder of any Subordinate Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Subordinate Indenture or for the execution of any trust hereunder or for the appointment of a receiver or any other remedy hereunder, unless (a) a default shall have occurred of which the Trustee shall have been notified as provided herein; (b) such default shall have become an Event of Default under Section 6.01(b) hereof; (c) the Holder of 100% of the aggregate principal amount of the Subordinate Bonds then Outstanding with respect to which there is such an Event of Default shall have made written request to the Trustee and shall have offered reasonable opportunity to the Trustee either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name; (d) such Holders shall have offered to the Trustee indemnity as provided in this Subordinate Indenture; and (e) the Trustee shall within sixty (60) days thereafter fail or refuse to exercise the powers hereinbefore granted, or to institute such action, suit or proceeding; it being understood and intended that no one or more Holders of the Subordinate Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Subordinate Indenture or the rights of any other Holders of Subordinate Bonds or to obtain priority or preference over any other Holders or to enforce any right under this Subordinate Indenture, except in the manner herein provided with respect to the equal and ratable benefit of all Holders of Subordinate Bonds with respect to which there is a default. Nothing contained in this Subordinate Indenture shall, however, affect or impair the right of any Subordinate Bondholder to enforce the payment of the principal of and interest on any Subordinate Bond at the maturity thereof or the obligation of the Issuer to pay the principal of, and interest on the Subordinate Bonds issued hereunder to the respective holders thereof, at the time, in the place, from the sources and in the manner expressed herein and in said Subordinate Bonds.

Section 6.08 Termination of Proceedings. In case the Trustee shall have proceeded to enforce any right under this Subordinate Indenture by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer, the Trustee, the Subordinate Bondholder Representative, the Borrower and the Subordinate Bondholders shall be restored to their former positions and rights hereunder with respect to the Subordinate Trust Estate herein conveyed, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 6.09 Waivers of Events of Default. So long as no Event of Default has occurred and is then continuing under Section 6.01(b) or Section 6.01(c) hereof, the Trustee shall waive any Event of Default hereunder and its consequences and rescind any declaration of maturity of principal of, and interest on the Subordinate Bonds only upon the written direction of the Subordinate Bondholder Representative. If there shall have occurred and is then continuing an Event of Default under Section 6.01(b) or Section 6.01(c) hereof, the Trustee shall waive any Event of Default hereunder and its consequences and rescind any declaration of maturity of principal of, and interest on the Subordinate Bonds upon the written request of the Holders of 100% of the Subordinate Bonds then Outstanding with respect to which there is a default; provided, however, that there shall not be waived (a) any Event of Default in the payment of the principal of any Subordinate Bonds at the date of maturity specified therein, or upon proceedings for mandatory redemption of any Subordinate Bonds, (b) any default in the payment when due of the interest on any such Subordinate Bonds, unless prior to such waiver or rescission all arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Subordinate Bonds in respect of which such default shall have occurred on overdue installments of interest or all arrears of payments of principal or when due (whether at the stated maturity thereof or upon proceedings for mandatory redemption) as the case may be, and all expenses of the Trustee in connection with such default shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer, the Trustee, and the Subordinate Bondholders shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereto.

Section 6.10 Notice to Subordinate Bondholders if Default Occurs. Upon the occurrence of an Event of Default, or if an event occurs which could lead to an Event of Default with the passage of time and of which the Trustee is required to take notice pursuant to Section 7.02(k) hereof, the Trustee shall, within thirty (30) days, give written notice thereof by first class mail to the registered Owners of all Subordinate Bonds then Outstanding. Notwithstanding the foregoing, except in the case of an Event of Default with respect to the payment of principal of or and interest on the Subordinate Bonds, the Trustee shall be protected in withholding such notice if and so long as the board of directors of the Trustee, the executive committee, or a trust committee of directors or officers of the Trustee in good faith determines that the withholding of such notice is in the best interests of the Holders of the Subordinate Bonds.

ARTICLE VII

CONCERNING THE TRUSTEE

Section 7.01 Standard of Care. The Trustee, prior to an Event of Default as defined in Section 6.01 and after the curing or waiver of all such events which may have occurred, shall perform such duties and only such duties as are specifically set forth in this Subordinate Indenture. The Trustee, during the existence of any such Event of Default (which shall not have been cured or waived), shall exercise such rights and powers vested in it by this Subordinate Indenture and use the same degree of care and skill in its exercise as a prudent Person would exercise or use under similar circumstances in the conduct of such Person's own affairs.

No provision of this Subordinate Indenture shall be construed to relieve the Trustee from liability for its breach of trust, own negligence or willful misconduct, except that:

(a) prior to an Event of Default hereunder, and after the curing or waiver of all such Events of Default which may have occurred:

(i) the duties and obligations of the Trustee shall be determined solely by the express provisions of this Subordinate Indenture, and the Trustee shall not be liable except with regard to the performance of such duties and obligations as are specifically set forth in this Subordinate Indenture; and

(ii) in the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificate or opinion furnished to the Trustee by the Person or Persons authorized to furnish the same;

(b) at all times, regardless of whether or not any such Event of Default shall exist:

(i) the Trustee shall not be liable for any error of judgment made in good faith by an officer or employee of the Trustee except for willful misconduct or negligence by the officer or employee of the Trustee as the case may be; and

(ii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Subordinate Bondholder Representative or the Holder of 100% of the aggregate principal amount of the Subordinate Bonds then Outstanding (or such lesser or greater percentage as is specifically required or permitted by this Subordinate Indenture) relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Subordinate Indenture.

Section 7.02 Reliance Upon Documents. Except as otherwise provided in Section 7.01:

(a) the Trustee may rely upon the authenticity or truth of the statements and the correctness of the opinions expressed in, and shall be protected in acting upon any resolution, certificate, statement, instrument, opinion, report, notice, notarial seal, stamp, acknowledgment, verification, request, consent, order, bond, or other paper or document of the

proper party or parties, including any facsimile transmission as permitted hereunder or under the Subordinate Loan Agreement;

(b) any notice, request, direction, election, order or demand of the Issuer mentioned herein shall be sufficiently evidenced by an instrument signed in the name of the Issuer by an Authorized Officer of the Issuer (unless other evidence in respect thereof be herein specifically prescribed), and any resolution of the Issuer may be evidenced to the Trustee by a copy of such resolution duly certified by an Authorized Officer of the Issuer;

(c) any notice, request, certificate, statement, requisition, direction, election, order or demand of the Borrower mentioned herein shall be sufficiently evidenced by an instrument purporting to be signed in the name of the Borrower by any Authorized Officer of the Borrower (unless other evidence in respect thereof be herein specifically prescribed), and any resolution or certification of the Borrower may be evidenced to the Trustee by a copy of such resolution duly certified by a secretary or other authorized representative of the Borrower;

(d) any notice, request, direction, election, order or demand of the Subordinate Bondholder Representative mentioned herein shall be sufficiently evidenced by an instrument purporting to be signed in the name of the Subordinate Bondholder Representative by any Authorized Officer of the Subordinate Bondholder Representative (unless other evidence in respect thereof be herein specifically prescribed);

(e) in the administration of the trusts of this Subordinate Indenture, the Trustee may execute any of the trusts or powers hereby granted directly or through its agents, receivers or attorneys, and the Trustee may consult with counsel and the opinion or advice of such counsel shall be full and complete authorization and protection in respect of any action taken or permitted by it hereunder in good faith and in accordance with the opinion of such counsel;

(f) whenever in the administration of the trusts of this Subordinate Indenture, the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or permitting any action hereunder, such matters (unless other evidence in respect thereof be herein specifically prescribed), may in the absence of negligence or willful misconduct on the part of the Trustee, be deemed to be conclusively proved and established by a certificate of an officer or authorized agent of the Issuer or the Borrower and such certificate shall in the absence of bad faith on the part of the Trustee be full warrant to the Trustee for any action taken or permitted by it under the provisions of this Subordinate Indenture, but in its discretion the Trustee may in lieu thereof accept other evidence of such matter or may require such further or additional evidence as it may deem reasonable;

(g) the recitals herein and in the Subordinate Bonds (except the Trustee's certificate of authentication thereon) shall be taken as the statements of the Issuer and the Borrower and shall not be considered as made by or imposing any obligation or liability upon the Trustee. The Trustee makes no representations as to the value or condition of the Subordinate Trust Estate or any part thereof, or as to the title of the Issuer or the Borrower to the Subordinate Trust Estate, or as to the security of this Subordinate Indenture, or of the Subordinate Bonds issued hereunder, and the Trustee shall incur no liability or responsibility in respect of any of such matters;

(h) the Trustee shall not be personally liable for debts contracted or liability for damages incurred in the management or operation of the Subordinate Trust Estate except

for its own willful misconduct or negligence; and every provision of this Subordinate Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 7.02(h);

(i) the Trustee shall not be required to ascertain or inquire as to the performance or observance of any of the covenants or agreements (except to the extent they obligate the Trustee) herein or in any contracts or securities assigned or conveyed to or pledged with the Trustee hereunder, except Events of Default that are evident under Section 6.01(a) or Section 6.01(b) hereof. The Trustee shall not be required to take notice or be deemed to have notice or actual knowledge of any default or Event of Default specified in Section 6.01 hereof (except defaults under Section 6.01(a) or Section 6.01(b) hereof) unless the Trustee shall receive from the Issuer, the Subordinate Bondholder Representative or the Holder of 100% of the aggregate principal amount of the Subordinate Bonds then Outstanding written notice stating that a default or Event of Default has occurred and specifying the same, and in the absence of such notice the Trustee may conclusively assume that there is not such default. Every provision contained in this Subordinate Indenture or related instruments or in any such contract or security wherein the duty of the Trustee depends on the occurrence and continuance of such default shall be subject to the provisions of this Section 7.02(k);

(j) the Trustee shall be under no duty to confirm or verify any financial or other statements or reports or certificates furnished pursuant to any provisions hereof, except to the extent such statement or reports are furnished by or under the direction of the Trustee, and shall be under no other duty in respect of the same except to retain the same in its files and permit the inspection of the same at reasonable times by the Holder of any Subordinate Bond; and

(k) the Trustee shall be under no obligation to exercise those rights or powers vested in it by this Subordinate Indenture, other than such rights and powers which it shall be obliged to exercise in the ordinary course of its trusteeship under the terms and provisions of this Subordinate Indenture and as required by law, at the request or direction of any of the Subordinate Bondholders pursuant to Sections 6.03 and 6.07 of this Subordinate Indenture, unless such Subordinate Bondholders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in the compliance with such request or direction.

None of the provisions contained in this Subordinate Indenture shall require the Trustee to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers.

The Trustee is authorized and directed to execute in its capacity as Trustee the Subordinate Loan Agreement, the Subordination Agreement and the Regulatory Agreement and shall have no responsibility or liability with respect to any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the issuance of the Subordinate Bonds.

The Trustee or any of its affiliates may act as advisor or sponsor with respect to any Investment Securities.

The Trustee agrees to accept and act upon facsimile transmission or Electronic Notice of written instructions and/or directions pursuant to this Subordinate Indenture provided, however, that: (a) subsequent to such facsimile transmission or Electronic Notice of written instructions

and/or directions the Trustee shall forthwith receive the originally executed instructions and/or directions, (b) such originally executed instructions and/or directions shall be signed by such Person as may be designated and authorized to sign for the party signing such instructions and/or directions, and (c) the Trustee shall have received a current incumbency certificate containing the specimen signature of such designated Person.

Any resolution, certification, notice, request, direction, election, order or demand delivered to the Trustee pursuant to this Section 7.02 shall remain in effect until the Trustee receives written notice to the contrary from the party that delivered such instrument accompanied by revised information for such party.

The Trustee shall have no responsibility for the value of any collateral or with respect to the perfection or priority of any security interest in any collateral except as otherwise provided in Section 7.16 hereof.

Section 7.03 Use of Proceeds. The Trustee shall not be accountable for the use or application of any of the Subordinate Bonds authenticated or delivered hereunder or of the proceeds of the Subordinate Bonds except as provided herein.

Section 7.04 Trustee May Hold Subordinate Bonds. The Trustee and its officers and directors may acquire and hold, or become pledgees of Subordinate Bonds and otherwise may deal with the Issuer and the Borrower in the same manner and to the same extent and with like effect as though it were not Trustee hereunder.

Section 7.05 Trust Imposed. All money received by the Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received.

Section 7.06 Compensation of Trustee. The Trustee shall be entitled to its acceptance fee and its annual administration fee, payable by the Borrower pursuant to the Subordinate Loan Agreement, in connection with the services rendered by it in the execution of the trusts hereby created and in the exercise and performance of any of the powers and duties of the Trustee hereunder. The Trustee shall be entitled to extraordinary fees and expenses in connection with any Extraordinary Services performed consistent with the duties hereunder or under any of the Subordinate Loan Documents; provided the Trustee shall not incur any extraordinary fees and expenses without the consent of the Subordinate Bondholder Representative (except that no consent shall be required if an Event of Default under 6.01(b) has occurred and is continuing). If any property, other than cash, shall at any time be held by the Trustee subject to this Subordinate Indenture, or any supplemental indenture, as security for the Subordinate Bonds, the Trustee, if and to the extent authorized by a receivership, bankruptcy, or other court of competent jurisdiction or by the instrument subjecting such property to the provisions of this Subordinate Indenture as such security for the Subordinate Bonds, shall be entitled to make advances for the purpose of preserving such property or of discharging tax liens or other liens or encumbrances thereon. Payment to the Trustee for its services and reimbursement to the Trustee for its expenses, disbursements, liabilities and advances, shall be limited to the sources described in the Subordinate Loan Agreement and in Sections 4.08 and 6.05 hereof. The Issuer shall have no liability for Trustee's fees, costs or expenses. Subject to the provisions of Section 7.09 hereof, the Trustee agrees that it shall continue to perform its duties hereunder (including, but not limited to, its duties as Paying Agent and Subordinate Bond Registrar) and under the Subordinate Loan Documents even in the event that money designated for payment of its fees shall be insufficient for such purposes or in the

event that the Borrower fails to pay the Trustee's fees and expenses as required by the Subordinate Loan Agreement.

The Borrower shall indemnify and hold harmless the Trustee and its officers, directors, officials, employees, agents, receivers, attorneys, accountants, advisors, consultants and servants, past, present or future, from and against (a) any and all claims by or on behalf of any Person arising from any cause whatsoever in connection with this Subordinate Indenture or transactions contemplated hereby, the Project, or the issuance of the Subordinate Bonds; (b) any and all claims arising from any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Project, or the issuance of the Subordinate Bonds; and (c) all costs, counsel fees, expenses or liabilities incurred in connection with any such claim or proceeding brought thereon; except that the Borrower shall not be required to indemnify any Person for damages caused by the negligence, willful misconduct or unlawful acts of such Person or which arise from events occurring after the Borrower ceases to own the Project. In the event that any action or proceeding is brought or claim made against the Trustee, or any of its officers, directors, officials, employees, agents, receivers, attorneys, accountants, advisors, consultants or servants, with respect to which indemnity may be sought hereunder, the Borrower, upon written notice thereof from the indemnified party, shall assume the investigation and defense thereof, including the employment of counsel and the payment of all expenses. The indemnified party shall have the right to approve a settlement to which it is a party and to employ separate counsel in any such action or proceedings and to participate in the investigation and defense thereof, and the Borrower shall pay the reasonable fees and expenses of such separate counsel. The provisions of this Section shall survive the termination of this Subordinate Indenture.

Section 7.07 Qualifications of Trustee. There shall at all times be a Trustee hereunder which shall be an association or a corporation organized and doing business under the laws of the United States of America or any state thereof, authorized under such laws to exercise corporate trust powers. Any successor Trustee shall have a combined capital and surplus of at least \$50,000,000 (or shall be a wholly owned subsidiary of an association or corporation that has such combined capital and surplus), and be subject to supervision or examination by federal or state authority, or shall have been appointed by a court of competent jurisdiction pursuant to Section 7.11. If such association or corporation publishes reports of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority referred to above, then for the purposes of this Section, the combined capital and surplus of such association or corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section and another association or corporation is eligible, the Trustee shall resign immediately in the manner and with the effect specified in Section 7.09.

Section 7.08 Merger of Trustee. Any association or corporation into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any association or corporation resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party shall, ipso facto, be and become successor Trustee hereunder and vested with all the title to the whole property or Subordinate Trust Estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instruments or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding, and shall also be and

become successor Trustee in respect of the beneficial interest of the Trustee in the Subordinate Loan.

Section 7.09 Resignation by the Trustee. The Trustee may at any time resign from the trusts hereby created by giving written notice to the Issuer, the Borrower and the Subordinate Bondholder Representative, and by giving notice by certified mail or overnight delivery service to each Holder of the Subordinate Bonds then Outstanding. Such notice to the Issuer, the Borrower and the Subordinate Bondholder Representative may be served personally or sent by certified mail or overnight delivery service. The resignation of the Trustee shall not be effective until a successor Trustee has been appointed as provided herein and such successor Trustee shall have agreed in writing to be bound by the duties and obligations of the Trustee hereunder.

Section 7.10 Removal of the Trustee. The Trustee may be removed at any time, either with or without cause, with the consent of the Subordinate Bondholder Representative (which consent of the Subordinate Bondholder Representative shall not be unreasonably withheld and which approval shall be deemed given after fifteen (15) days if the Subordinate Bondholder Representative has not responded to a written request for such approval) by a written instrument signed by the Issuer and delivered to the Trustee and the Borrower, and if an Event of Default shall have occurred and be continuing, other than an Event of Default under Section 6.01(b), by a written instrument signed by the Subordinate Bondholder Representative and delivered to the Trustee, the Issuer and the Borrower. The Trustee may also be removed, if an Event of Default under Section 6.01(b) shall have occurred and be continuing, by a written instrument or concurrent instruments signed by the Holder of 100% of the aggregate principal amount of the Subordinate Bonds then Outstanding and delivered to the Trustee, the Issuer, the Borrower and the Subordinate Bondholder Representative. The Trustee may also be removed by the Subordinate Bondholder Representative following notice to the Issuer and after a thirty (30) day period during which the Issuer may attempt to cause the Trustee to discharge its duties in a manner acceptable to Subordinate Bondholder Representative, and in each case written notice of such removal shall be given to the Servicer, the Borrower and to each registered Owner of Subordinate Bonds then Outstanding as shown on the Subordinate Bond Registrar. Any such removal shall take effect on the day specified in such written instrument(s), but the Trustee shall not be discharged from the trusts hereby created until a successor Trustee has been appointed and has accepted such appointment and has agreed in writing to be bound by the duties and obligations of the Trustee hereunder.

Section 7.11 Appointment of Successor Trustee.

(a) In case at any time the Trustee shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or shall be adjudged a bankrupt or insolvent, or if a receiver of the Trustee or of its property shall be appointed, or if a public supervisory office shall take charge or control of the Trustee or of its property or affairs, a vacancy shall forthwith and ipso facto be created in the office of such Trustee hereunder, and the Issuer, with the written consent of the Subordinate Bondholder Representative (which consent shall not be unreasonably withheld and which consent shall be deemed given after fifteen (15) days if the applicable party has not responded to a written request from the Issuer for such consent), shall promptly appoint a successor Trustee. Any such appointment shall be made by a written instrument executed by an Authorized Officer of the Issuer.

(b) If, in a proper case, no appointment of a successor Trustee shall be made pursuant to subsection (a) of this Section 7.11 within sixty (60) days following delivery of all required notices of resignation given pursuant to Section 7.09 or of removal of the Trustee pursuant to Section 7.10, the retiring Trustee may apply to any court of competent jurisdiction to appoint a successor Trustee. The court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee.

Section 7.12 Concerning Any Successor Trustee. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Issuer a written instrument accepting such appointment hereunder, accepting assignment of the beneficial interest in the Subordinate Mortgage, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the Subordinate Trust Estate and the rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of the Issuer, the Borrower or the Subordinate Bondholder Representative, or of its successor, and upon payment of all amounts due such predecessor, including but not limited to fees and expenses of counsel, execute and deliver such instruments as may be appropriate to transfer to such successor Trustee all the Subordinate Trust Estate and the rights, powers and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all securities and money held by it as Trustee hereunder to its successor. Should any instrument in writing from the Issuer be required by a successor Trustee for more fully and certainly vesting in such successor the Subordinate Trust Estate and all rights, powers and duties hereby vested or intended to be vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all other instruments provided for in this Article, shall be filed and/or recorded by the successor Trustee in each recording office where this Subordinate Indenture shall have been filed and/or recorded. Each successor Trustee shall mail notice by first class mail, postage prepaid, at least once within 30 days of such appointment, to the Owners of all Subordinate Bonds Outstanding at their addresses on the Subordinate Bond Register.

Section 7.13 Successor Trustee as Trustee, Paying Agent and Subordinate Bond Registrar. In the event of a change in the office of Trustee, the predecessor Trustee which shall have resigned or shall have been removed shall cease to be trustee and paying agent on the Subordinate Bonds and Subordinate Bond Registrar, and the successor Trustee shall become such Trustee, Paying Agent and Subordinate Bond Registrar.

Section 7.14 Appointment of Co-Trustee or Separate Trustee. It is the intent of the Issuer and the Trustee that there shall be no violation of any law of any jurisdiction (including particularly the laws of the State) denying or restricting the right of banking corporations or associations to transact business as Trustee in such jurisdiction. It is recognized that in case of litigation under or connected with this Subordinate Indenture, the Subordinate Loan Agreement or any of the other Subordinate Loan Documents, and, in particular, in case of the enforcement of any remedies on default, or in case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein or therein granted to the Trustee or hold title to the properties in trust, as herein granted, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee, with the consent of the Issuer, appoint an additional individual or institution as a co-trustee or separate trustee.

In the event that the Trustee appoints an additional individual or institution as a co-trustee or separate trustee, in the event of the incapacity or lack of authority of the Trustee, by reason of any present or future law of any jurisdiction, to exercise any of the rights, powers, trusts and remedies granted to the Trustee herein or to hold title to the Subordinate Trust Estate or to take any other action that may be necessary or desirable in connection therewith, each and every remedy, power, right, obligation, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Subordinate Indenture to be imposed upon, exercised by or vested in or conveyed to the Trustee with respect thereto shall be imposed upon, exercisable by and vest in such separate trustee or co-trustee, but only to the extent necessary to enable such co-trustee or separate trustee to exercise such powers, rights, trusts and remedies, and every covenant and obligation necessary to the exercise thereof by such co-trustee or separate trustee shall run to and be enforceable by either of them, subject to the remaining provisions of this Section 7.14. Such co-trustee or separate trustee shall deliver an instrument in writing acknowledging and accepting its appointment hereunder to the Issuer and the Trustee.

Should any instrument in writing from the Issuer be required by the co-trustee or separate trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to him or it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer, the Trustee and the Borrower. If the Issuer shall fail to deliver the same within thirty (30) days of such request, the Trustee is hereby appointed attorney-in-fact for the Issuer to execute, acknowledge and deliver such instruments in the Issuer's name and stead. In case any co-trustee or separate trustee, or a successor to either, shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such co-trustee or separate trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new trustee or successor to such co-trustee or separate trustee.

Every co-trustee or separate trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms, namely:

(a) The Subordinate Bonds shall be authenticated and delivered, and all rights, powers, trusts, duties and obligations by this Subordinate Indenture conferred upon the Trustee in respect of the custody, control or management of money, papers, securities and other personal property shall be exercised solely by the Trustee;

(b) all rights, powers, trusts, duties and obligations conferred or imposed upon the Trustee shall be conferred or imposed upon or exercised or performed by the Trustee, or by the Trustee and such co-trustee, or separate trustee jointly, as shall be provided in the instrument appointing such co-trustee or separate trustee, except to the extent that under the law of any jurisdiction in which any particular act or acts are to be performed the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such act or acts shall be performed by such co-trustee or separate trustee;

(c) any request in writing by the Trustee to any co-trustee or separate trustee to take or to refrain from taking any action hereunder shall be sufficient warrant for the taking or the refraining from taking of such action by such co-trustee or separate trustee;

(d) any co-trustee or separate trustee to the extent permitted by law shall delegate to the Trustee the exercise of any right, power, trust, duty or obligation, discretionary or otherwise;

(e) the Trustee at any time by an instrument in writing with the concurrence of the Issuer evidenced by a certified resolution may accept the resignation of or remove any co-trustee or separate trustee appointed under this Section and in case an Event of Default shall have occurred and be continuing, the Trustee shall have power to accept the resignation of or remove any such co-trustee or separate trustee without the concurrence of the Issuer, and upon the request of the Trustee, the Issuer shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to effectuate such resignation or removal. A successor to any co-trustee or separate trustee so resigned or removed may be appointed in the manner provided in this Section;

(f) no Trustee or co-trustee hereunder shall be personally liable by reason of any act or omission of any other Trustee hereunder;

(g) any demand, request, direction, appointment, removal, notice, consent, waiver or other action in writing executed by the Subordinate Bondholders and delivered to the Trustee shall be deemed to have been delivered to each such co-trustee or separate trustee; and

(h) any money, papers, securities or other items of personal property received by any such co-trustee or separate trustee hereunder shall forthwith, so far as may be permitted by law, be turned over to the Trustee.

The total compensation of the Trustee and co-trustee or separate trustee shall be as, and may not exceed the amount, provided in Section 7.06 hereof.

Section 7.15 Notice of Certain Events. The Trustee shall give written notice to the Issuer, the Servicer and the Subordinate Bondholder Representative of any failure by the Borrower to comply with the terms of the Regulatory Agreement of which a Responsible Officer has actual knowledge.

Section 7.16 Filing of Financing Statements. The Trustee shall, at the expense of the Borrower, file or record or cause to be filed or recorded all UCC continuation statements for the purpose of continuing without lapse the effectiveness of those financing statements which have been filed on or approximately on the Closing Date in connection with the security for the Subordinate Bonds pursuant to the authority of the UCC. Upon the filing of any such continuation statement the Trustee shall immediately notify the Issuer, the Borrower, the Subordinate Bondholder Representative and the Servicer that the same has been done. If direction is given by the Servicer or the Subordinate Bondholder Representative, the Trustee shall file all continuation statements in accordance with such directions.

ARTICLE VIII

SUPPLEMENTAL INDENTURES AND AMENDMENTS OF CERTAIN DOCUMENTS

Section 8.01 Supplemental Indentures Not Requiring Consent of Subordinate Bondholders. The Issuer and the Trustee may from time to time and at any time, without the

consent of, or notice to, any of the Subordinate Bondholders, but with the prior written consent of the Subordinate Bondholder Representative, enter into an indenture or indentures supplemental to this Subordinate Indenture for any one or more of the following purposes:

(a) to cure any formal defect, omission, inconsistency or ambiguity herein in a manner not materially adverse to the Holder of any Subordinate Bond to be Outstanding after the effective date of the change;

(b) to grant to or confer upon the Trustee for the benefit of the Holders of the Subordinate Bonds any additional rights, remedies, powers or authority that may lawfully be granted or conferred and that are not contrary to or inconsistent with this Subordinate Indenture or the rights of the Trustee hereunder as theretofore in effect;

(c) to subject to the lien and pledge of this Subordinate Indenture additional revenues, properties or collateral;

(d) to modify, amend or supplement this Subordinate Indenture or any indenture supplemental hereto in such manner as to permit the qualification hereof and thereof under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect or to permit the qualification of the Subordinate Bonds for sale under any state blue sky laws;

(e) to make such additions, deletions or modifications as may be, in the opinion of Bond Counsel delivered to the Issuer and the Trustee, necessary to maintain the exclusion from gross income for federal income tax purposes of interest on the Subordinate Bonds; or

(f) to modify, amend or supplement this Subordinate Indenture in any other respect which is not materially adverse to the Holders of the Subordinate Bonds to be Outstanding after the effective date of the change and which does not involve a change described in Section 8.02.

Section 8.02 Supplemental Indentures Requiring Consent of Subordinate Bondholders. With the prior written consent of the Subordinate Bondholder Representative, the Holders of 100% of the aggregate principal amount of the Subordinate Bonds then Outstanding shall have the right, from time to time, to consent to and approve the execution by the Issuer and the Trustee of such indenture or indentures supplemental hereto as shall be deemed necessary and desirable by the Issuer for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Subordinate Indenture; provided, however, that nothing in this Section contained shall permit, or be construed as permitting, (a) an extension of the time for payment of, or an extension of the stated maturity or reduction in the principal amount or reduction in the rate of interest on or extension of the time of payment, of interest on, or reduction of any premium (if any) payable on the redemption of, any Subordinate Bonds, or a reduction in the Borrower's obligation on the Subordinate Note, without the consent of the Holders of all of the Subordinate Bonds then Outstanding, (b) the creation of any lien prior to or on a parity with the lien of this Subordinate Indenture, (c) a reduction in the aforesaid percentage of the principal amount of Subordinate Bonds which is required in connection with the giving of consent to any such supplemental indenture, without the consent of the Holders of all of the Subordinate Bonds then Outstanding, (d) the modification of the rights, duties or immunities of the Trustee, without the written consent of the Trustee, (e) a privilege or priority of any Subordinate Bond over any other Subordinate

Bonds, or (f) any action that results in the interest on the Subordinate Bonds becoming included in gross income for federal income tax purposes.

If at any time the Issuer shall request the Trustee to enter into any such supplemental indenture for any of the purposes of this Section, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such supplemental indenture to be mailed, postage prepaid, to all registered Subordinate Bondholders and to the Subordinate Bondholder Representative. Such notice shall briefly set forth the nature of the proposed supplemental indenture and shall state that copies thereof are on file at the corporate trust office of the Trustee for inspection by all Subordinate Bondholders.

Thirty (30) days after the date of the mailing of such notice, the Issuer and the Trustee may enter into such supplemental indenture substantially in the form described in such notice, but only if there shall have first been or is simultaneously delivered to the Trustee the required consents, in writing, of the Subordinate Bondholder Representative and the Holders of not less than the percentage of Subordinate Bonds required by this Section 8.02. If the Holders of not less than the percentage of Subordinate Bonds required by this Section 8.02 shall have consented to and approved the execution and delivery of a supplemental indenture as provided herein, no Holder of any Subordinate Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the Issuer from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such supplemental indenture as in this Section 8.02 permitted and provided, this Subordinate Indenture shall be and be deemed to be modified and amended in accordance therewith. The Trustee may rely upon an opinion of counsel as conclusive evidence that execution and delivery of a supplemental indenture has been effected in compliance with the provisions of this Article VIII.

Anything in this Article VIII to the contrary notwithstanding, unless the Borrower shall then be in default of any of its obligations under the Subordinate Loan Agreement, the Regulatory Agreement, the Subordinate Note or the Subordinate Mortgage, a supplemental indenture under this Article VIII which affects any rights of the Borrower shall not become effective unless and until the Borrower shall have expressly consented in writing to the execution and delivery of such supplemental indenture. In this regard, the Trustee shall cause notice of the proposed execution and delivery of any such supplemental indenture to be mailed by certified or registered mail to the Borrower or the Borrower's attorney at least fifteen (15) days prior to the proposed date of execution and delivery of any supplemental indenture.

Notwithstanding any other provision of this Subordinate Indenture, the Issuer and the Trustee may consent to any supplemental indenture upon receipt of the consent of the Subordinate Bondholder Representative, the Holders of all Subordinate Bonds then Outstanding and, as applicable, the Borrower.

Section 8.03 Amendments to Subordinate Loan Agreement Not Requiring Consent of Subordinate Bondholders. The Trustee shall, without the consent of, or notice to, the Subordinate Bondholders, but with the consent of the Borrower and the Subordinate Bondholder Representative, consent to any amendment, change or modification of the Subordinate Loan Agreement as follows:

(a) as may be required by the provisions of Subordinate Loan Agreement or this Subordinate Indenture;

(b) to cure any formal defect, omission, inconsistency or ambiguity in the Subordinate Loan Agreement in a manner not materially adverse to the Holder of any Subordinate Bond to be Outstanding after the effective date of the change;

(c) to make such additions, deletions or modifications as may be necessary, in the opinion of Bond Counsel delivered to the Issuer and the Trustee, to maintain the exclusion from gross income for federal income tax purposes of interest on the Subordinate Bonds; or

(d) to modify, amend or supplement the Subordinate Loan Agreement in any other respect which is not materially adverse to the Trustee or Holders of the Subordinate Bonds to be Outstanding after the effective date of the change and which does not involve a change described in Section 8.04.

Section 8.04 Amendments to Subordinate Loan Agreement Requiring Consent of Subordinate Bondholders. Except for the amendments, changes or modifications of the Subordinate Loan Agreement as provided in Section 8.03 hereof, neither the Issuer nor the Trustee shall consent to any other amendment, change or modification of the Subordinate Loan Agreement without the consent of the Subordinate Bondholder Representative, and the Borrower and without the giving of notice and the written approval or consent of the Holder of 100% of the aggregate principal amount of the Subordinate Bonds then Outstanding given and procured in accordance with the procedure set forth in Section 8.02 hereof; provided, however, that nothing contained in this Section 8.04 shall permit, or be construed as permitting, any amendment, change or modification of the Borrower's obligation to make the payments required under the Subordinate Loan Agreement without the consent of the Holders of all of the Subordinate Bonds then Outstanding. If at any time the Issuer and the Borrower shall request the consent of the Trustee to any such proposed amendment, change or modification of the Subordinate Loan Agreement, the Trustee shall cause notice of such proposed amendment, change or modification to be given in the same manner as provided in Section 8.02 hereof. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the Principal Office of the Trustee for inspection by Subordinate Bondholders.

Section 8.05 Consent of Senior Bondowner. So long as the Senior Obligations remain outstanding, no supplement or amendment to the Subordinate Loan Agreement or this Subordinate Indenture, as described in this Article VIII, shall be effective except upon receipt by the Trustee of the written consent, which consent shall not be unreasonably withheld, conditioned, or delayed, thereto of the Senior Bondowner.

Section 8.06 Opinion of Bond Counsel Required. No supplement or amendment to the Subordinate Loan Agreement or this Subordinate Indenture, as described in this Article VIII, shall be effective until the Issuer, the Trustee and the Subordinate Bondholder Representative shall have received an opinion of Bond Counsel to the effect that such supplement or amendment is authorized or permitted by this Subordinate Indenture and, upon execution and delivery thereof, will be valid and binding upon the Issuer in accordance with its terms and will not cause interest on the Subordinate Bonds to be includable in gross income of the Holders thereof for federal income tax purposes. The Trustee shall be entitled to receive, and shall be fully protected in relying upon, the opinion of any counsel approved by it as conclusive evidence that (i) any proposed supplemental indenture or amendment permitted by this Article VIII complies with the provisions of this Subordinate Indenture, (ii) it is proper for the Trustee to join in the execution of that supplemental indenture or amendment under the provisions of this

Article VIII, and (iii) if applicable, such proposed supplemental indenture or amendment is not materially adverse to the interests of the Subordinate Bondholders.

ARTICLE IX

SATISFACTION AND DISCHARGE OF INDENTURE

Section 9.01 Discharge of Lien. If the Issuer shall pay or cause to be paid to the Holders of the Subordinate Bonds the principal and interest to become due thereon at the times and in the manner stipulated therein and herein, in any one or more of the following ways:

(a) by the payment of the principal of and interest on all Subordinate Bonds Outstanding; or

(b) by the deposit or credit to the account of the Trustee, in trust, of money or securities in the necessary amount (as provided in Section 9.04) to pay the principal, redemption price and interest to the date established for redemption whether by redemption or otherwise; or

(c) by the delivery to the Trustee, for cancellation by it, of all Subordinate Bonds Outstanding;

and shall have paid all amounts due and owing to the Subordinate Bondholder Representative hereunder, and shall have paid all fees and expenses of and any other amounts due to the Trustee, and if the Issuer shall keep, perform and observe all and singular the covenants and promises in the Subordinate Bonds and in this Subordinate Indenture expressed as to be kept, performed and observed by it or on its part, then these presents and the estates and rights hereby granted shall cease, determine and be void, and thereupon the Trustee shall cancel and discharge the lien of this Subordinate Indenture and execute and deliver to the Issuer such instruments in writing as shall be requisite to satisfy the lien hereof, and reconvey to the Issuer the estate hereby conveyed, and assign and deliver to the Issuer any interest in property at the time subject to the lien of this Subordinate Indenture which may then be in its possession, except amounts held by the Trustee for the payment of principal of, interest, on the Subordinate Bonds.

Any Outstanding Subordinate Bond shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this Section 9.01 if, under circumstances that do not cause interest on the Subordinate Bonds to become includable in the Holders' gross income for purposes of federal income taxation, the following conditions shall have been fulfilled: (a) in case such Subordinate Bond is to be redeemed on any date prior to its maturity, the Trustee shall have given to the Subordinate Bondholder irrevocable notice of redemption of such Subordinate Bond on said date; (b) there shall be on deposit with the Trustee, pursuant to Section 9.04 hereof, either money or direct obligations of the United States of America in an amount, together with anticipated earnings thereon (but not including any reinvestment of such earnings), which will be sufficient to pay, when due, the principal or redemption price, if applicable, and interest due and to become due on such Subordinate Bond on the redemption date or Maturity Date thereof, as the case may be; and (c) in the case of Subordinate Bonds which do not mature or will not be redeemed within Sixty (60) days of such deposit, the Trustee shall have received a verification report of a firm of certified public accountants reasonably acceptable to the Trustee as to the adequacy of the amounts so deposited to fully pay the Subordinate Bonds deemed to be paid.

The Trustee shall in no event cause the Subordinate Bonds to be optionally redeemed from money deposited pursuant to this Article IX unless the requirements of Article III have been met with respect to such redemption.

Section 9.02 Discharge of Liability on Subordinate Bonds. Upon the deposit with the Trustee, in trust, at or before maturity, of money or securities in the necessary amount (as provided in Section 9.01) to pay or redeem Outstanding Subordinate Bonds (whether upon or prior to their maturity or the redemption date of such Subordinate Bonds) and, if such Subordinate Bonds are to be redeemed prior to the maturity thereof, upon the giving of notice of such redemption in accordance with Article III (or provision satisfactory to the Trustee having been made for the giving of such notice), all liability of the Issuer in respect of such Subordinate Bonds shall cease, terminate and be completely discharged, except only that thereafter the holders thereof shall be entitled to payment by the Issuer, and the Issuer shall remain liable for such payment, but only out of the money or securities deposited with the Trustee as aforesaid for their payment, subject, however, to the provisions of Section 9.04.

Section 9.03 Payment of Subordinate Bonds After Discharge of Indenture. Notwithstanding any provisions of this Subordinate Indenture, and subject to applicable unclaimed property laws of the State, any money deposited with the Trustee or any paying agent in trust for the payment of the principal of, interest on the Subordinate Bonds remaining unclaimed for two (2) years after the payment thereof, to the extent permitted by applicable law, shall be paid to the Borrower, whereupon all liability of the Issuer and the Trustee with respect to such money shall cease, and the holders of the Subordinate Bonds shall thereafter look solely to the Borrower for payment of any amounts then due. All money held by the Trustee and subject to this Section 9.03 shall be held uninvested and without liability for interest thereon.

Section 9.04 Deposit of Money or Securities With Trustee. Whenever in this Subordinate Indenture it is provided or permitted that there be deposited with or credited to the account of or held in trust by the Trustee money or securities in the necessary amount to pay or redeem any Subordinate Bonds, the money or securities so to be deposited or held shall consist of:

(a) lawful money of the United States of America in an amount equal to the principal amount of such Subordinate Bonds and all unpaid interest thereon to maturity, except that, in the case of Subordinate Bonds which are to be redeemed prior to maturity and in respect of which there shall have been furnished to the Trustee proof satisfactory to it that notice of such redemption on a specified redemption date has been duly given or provision satisfactory to the Trustee shall be made for such notice, the amount so to be deposited or held shall be the principal amount of such Subordinate Bonds and interest thereon to the redemption date; or

(b) noncallable and nonprepayable direct obligations of the United States of America or noncallable and nonprepayable obligations which as to principal and interest constitute full faith and credit obligations of the United States of America, in such amounts and maturing at such times that the proceeds of said obligations received upon their respective maturities and interest payment dates, without further reinvestment, will provide funds sufficient, in the opinion of a nationally recognized firm of certified public accountants, to pay the principal, and interest to maturity, or to the redemption date, as the case may be, with respect to all of the Subordinate Bonds to be paid or redeemed, as such principal, and interest become due; provided that the Trustee shall have been irrevocably instructed by the Issuer to apply the

proceeds of said obligations to the payment of said principal, and interest with respect to such Subordinate Bonds.

ARTICLE X

MISCELLANEOUS

Section 10.01 Consents and Other Instruments of Subordinate Bondholders. Any consent, request, direction, approval, waiver, objection, appointment or other instrument required by this Subordinate Indenture to be signed and executed by the Subordinate Bondholders may be signed and executed in any number of concurrent writings of similar tenor and may be signed or executed by such Subordinate Bondholders in person or by agent appointed in writing. Proof of the execution of any such instrument, if made in the following manner, shall be sufficient for any of the purposes of this Subordinate Indenture, and shall be conclusive in favor of the Trustee with regard to any action taken under such instrument, namely:

(a) the fact and date of the execution by any Person of any such instrument may be proved by the affidavit of a witness of such execution or by the certificate of any notary public or other officer of any jurisdiction, authorized by the laws thereof to take acknowledgments of deeds, certifying that the Person signing such instrument acknowledged the execution thereof. Where such execution is by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership, such affidavit or certificate shall also constitute sufficient proof of such authority;

(b) the ownership of registered Subordinate Bonds shall be proved by the Subordinate Bond Register; and

(c) any request, consent or vote of the Holder of any Subordinate Bond shall bind every future Holder of the same Subordinate Bond and the Holder of every Subordinate Bond issued in exchange therefor or in lieu thereof, in respect of anything done or permitted to be done by the Trustee or the Issuer in pursuance of such request, consent or vote.

Section 10.02 Limitation of Rights. With the exception of rights herein expressly conferred, nothing expressed or to be implied from this Subordinate Indenture or the Subordinate Bonds is intended or shall be construed to give to any Person other than the Parties hereto, the Subordinate Bondholder Representative, the Borrower and the Holders of the Subordinate Bonds, any legal or equitable right, remedy or claim under or in respect to this Subordinate Indenture or any covenants, conditions and provisions hereof.

Section 10.03 Severability. If any provision of this Subordinate Indenture shall be held or deemed to be, or shall in fact be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution, statute, rule of law or public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatever.

Whenever in this Subordinate Indenture the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the Person entitled to receive such notice and in any such case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Any notice, request, complaint, demand, communication or other paper required or permitted to be delivered to the Issuer, the Trustee, the Subordinate Bondholder Representative, or the Borrower shall be sufficiently given and shall be deemed given (unless another form of notice shall be specifically set forth herein) on the Business Day following the date on which such notice or other communication shall have been delivered to a national overnight delivery service (receipt of which to be evidenced by a signed receipt from such overnight delivery service) addressed to the appropriate party at the addresses set forth below or as may be required or permitted by this Subordinate Indenture by Electronic Notice or by a facsimile transmission for which a confirmation of receipt has been delivered. City of San José

U.S. Bank National Association

Re: City of San José
Multifamily Housing Revenue Bonds
(Markham Plaza II)
Subordinate Series 2021C-2

Ladies and Gentlemen:

The undersigned (the "Purchaser") hereby acknowledges receipt as transferee, from the previous owner thereof, of the above-referenced bonds (the "Subordinate Bonds") in fully registered form and in the original aggregate principal amount of \$6,000,000, constituting all of the Subordinate Bonds currently outstanding. The Subordinate Bonds have been checked, inspected and approved by the Purchaser.

The undersigned acknowledges that the Subordinate Bonds were issued for the purpose of making a loan to assist in financing the acquisition and rehabilitation of a multifamily rental housing development known as Markham Plaza II located in the City of San José, California (the "Project"), as more particularly described in that certain Subordinate Loan Agreement dated as of May 1, 2021, as may be amended and supplemented from time to time (the "Subordinate Loan Agreement"), by and among the City of San José (the "Issuer"), Markham Plaza II, LP, a limited partnership duly organized and existing under the laws of the State of California (the "Borrower"), and U.S. Bank National Association (the "Trustee"). The undersigned further acknowledges that the Subordinate Bonds are secured by a certain Subordinate Indenture of Trust dated as of May 1, 2021, as amended and supplemented (the "Indenture"), between the Issuer and the Trustee, which creates a security interest in loan repayments made pursuant to the Subordinate Loan Agreement for the benefit of the holders and Owners of the Subordinate Bonds, and by a Subordinate Multifamily Deed of Trust, Assignment of Rents, Security Agreement and Fixture Filing (Tax-Exempt Bonds) with respect to the Project (the "Subordinate Mortgage"), which creates a security interest in the Project, subject to permitted encumbrances, as provided therein. Terms not otherwise defined herein shall have the meanings assigned thereto in the Indenture.

In connection with the sale of the Subordinate Bonds to the Purchaser, the Purchaser hereby makes the following representations upon which you may rely:

1. The Purchaser hereby certifies that it is (1) a "qualified institutional buyer" as defined in Rule 144A promulgated under the Securities Act of 1933, as amended (the "Securities Act"); (2) an "accredited investor" as defined in Sections 501(a)(1) through (3) of Regulation D promulgated under the Securities Act; (3) an entity that is directly or indirectly

wholly owned or controlled by or under common control with the holder of the Subordinate Bonds; (4) an entity all of the investors in which are described in (1), (2) or (3) above; or (5) a custodian or trustee for a party described in (1), (2) or (3) above.

2. The Subordinate Bonds are being acquired by the Purchaser for its own account and for investment and not with a view to, or for resale in connection with, any public distribution of the Subordinate Bonds. The Purchaser understands that it may need to bear the risks of this investment for an indefinite time, since any sale prior to maturity may not be possible due to unmarketability of the Subordinate Bonds; provided, however, the Purchaser acknowledges and agrees that it may transfer the Subordinate Bonds in whole only and in accordance with the Indenture and this letter.

3. The Purchaser understands that the Subordinate Bonds have not been registered under the Act.

4. The Purchaser acknowledges that it is familiar with the conditions, financial and otherwise, of the Borrower and understands that the Borrower has no significant assets other than the Project. To the extent deemed appropriate in making its investment decision, the Purchaser has discussed the Borrower's financial condition and the Borrower's current and proposed business activities with the Borrower. The Purchaser further acknowledges that it has such knowledge and experience in business matters that it is fully capable of evaluating the merits and risks of this investment and it is able to bear the economic risk of the investment. The Subordinate Bonds are a security of the kind the Purchaser wishes to purchase and hold for investment, and the nature and amount of the Subordinate Bonds are consistent with the Purchaser's investment program. The Purchaser has been furnished such information and such documents as the Purchaser deems necessary to make a decision to purchase the Subordinate Bonds, including copies or forms of the Indenture, the Subordinate Loan Agreement, the Subordinate Mortgage and the Regulatory Agreement (as defined in the Indenture), and certain other documents relating to the Subordinate Bonds and the Project, all of which documents the Purchaser has reviewed. Specifically, but without limitation, the Purchaser has reviewed information about the Project, project cashflow and the property manager for the Project, if any, as well as information about the investment risks relating to the Subordinate Bonds, and the Purchaser understands that the Subordinate Bonds involve a high degree of risk. SPECIFICALLY, AND WITHOUT IN ANY MANNER LIMITING THE FOREGOING, THE PURCHASER UNDERSTANDS AND ACKNOWLEDGES THAT, AMONG OTHER RISKS, THE SUBORDINATE BONDS ARE INTEREST ONLY AND PAYABLE SOLELY FROM REVENUES (AS DEFINED IN THE INDENTURE) DERIVED FROM THE PROJECT, THAT THE SUBORDINATE BONDS ARE NOT ENTITLED TO THE BENEFIT OF ANY CREDIT FACILITY, THAT THE SUBORDINATE BONDS ARE NOT RATED BY ANY RATING AGENCY AND THAT. THE PURCHASER ALSO UNDERSTANDS THAT (A) THE SUBORDINATE BONDS ARE NOT SECURED BY ANY PLEDGE OF ANY MONEYS RECEIVED OR TO BE RECEIVED FROM TAXATION BY THE CITY OF SAN JOSE, THE STATE OF CALIFORNIA OR ANY POLITICAL SUBDIVISION THEREOF, NOR ARE THE SUBORDINATE BONDS SECURED BY ANY REVENUES OR FUNDS OF ANY KIND OF THE CITY OF SAN JOSE, THE STATE OF CALIFORNIA OR ANY POLITICAL SUBDIVISION THEREOF, (B) THE SUBORDINATE BONDS DO NOT AND WILL NOT REPRESENT OR CONSTITUTE A GENERAL OBLIGATION OR A PLEDGE OF THE FAITH AND CREDIT OF THE ISSUER, THE STATE OF CALIFORNIA OR ANY POLITICAL SUBDIVISION THEREOF; AND (C) THE LIABILITY OF THE ISSUER WITH RESPECT TO THE BONDS IS LIMITED TO THE TRUST ESTATE AS SET FORTH IN THE INDENTURE. THE PURCHASER UNDERSTANDS THAT THE SUBORDINATE BONDS

ARE NONRECOURSE TO THE BORROWER. The Purchaser has made such inquiry with respect to all of the foregoing as it believed to be desirable for its purposes.

5. The Purchaser has received from the Issuer no formal or informal offering or disclosure document relating to the Subordinate Bonds and has concluded that the receipt of one prior to the purchase of the Subordinate Bonds is not required. It is acknowledged that no written information has been provided by the Issuer, and that any written information furnished by any other party to the transaction does not purport to fully disclose all information pertinent to the Subordinate Bonds.

6. Except as disclosed to the Issuer, the Purchaser is not now and has never been controlled by, or under common control with, the Borrower. Except as disclosed to the Issuer, the Borrower has never been and is not now controlled by the Purchaser. THE PURCHASER HAS ENTERED INTO NO ARRANGEMENTS WITH THE BORROWER OR WITH ANY AFFILIATE OF THE BORROWER IN CONNECTION WITH THE SUBORDINATE BONDS, OTHER THAN AS DISCLOSED TO THE ISSUER. The Purchaser hereby agrees to deliver to the Issuer a copy of any agreement between the Purchaser and the Borrower or any affiliate of the Borrower relating to the Subordinate Bonds.

7. The Purchaser has authority to purchase the Subordinate Bonds and to execute this letter and any other instruments and documents required to be executed by the Purchaser in connection with the purchase of the Subordinate Bonds.

8. In entering into this transaction the Purchaser has not relied upon any representations or opinions made by the Issuer relating to the legal consequences or other aspects of the transactions, nor has it looked to, nor expected, the Issuer to undertake or require any credit investigation or due diligence reviews relating to the Borrower, its financial condition or business operations, the Project (including the refinancing, operation or management thereof), or any other matter pertaining to the merits or risks of the transaction, or the adequacy of any collateral pledged to the Trustee to secure repayment of the Subordinate Bonds.

9. The Purchaser understands that the Subordinate Bonds are not secured by any pledge of any money received or to be received from taxation by the State of California or any political subdivision or taxing district thereof, including, without limitation, the Issuer; that the Subordinate Bonds will never represent or constitute a general obligation or a pledge of the faith and credit of the Issuer, the State of California or any political subdivision thereof; that no right will exist to have taxes levied by the Issuer, the State of California or any political subdivision thereof for the payment of principal, and interest on the Subordinate Bonds; and that the liability of the Issuer with respect to the Subordinate Bonds is subject to further limitations as set forth in the Subordinate Bonds and the Indenture.

10. The Purchaser has been informed that the Subordinate Bonds have not been and will not be registered or otherwise qualified for sale under the "Blue Sky" laws and regulations of any jurisdiction, (ii) will not be listed on any stock or other securities exchange, and (iii) will carry no rating from any rating service.

11. The Purchaser has obtained, from representatives of the Borrower and others, all information regarding the Subordinate Bonds that it has deemed relevant. The Purchaser has asked of the Borrower and all other relevant parties all the questions to which the Purchaser desired answers, and has had those questions satisfactorily answered. Neither the Borrower

nor the Issuer nor any other relevant party has refused to disclose any information that Purchaser deems necessary or appropriate to its decision to purchase the Subordinate Bonds.

12. The Purchaser may not become a “related party” of the Borrower, as such term is used in section 1.148-1(b) of the regulations issued under section 148 of the Code.

13. Although the Purchaser does not intend at this time to dispose of the Subordinate Bonds, the Purchaser acknowledges that it has the right to sell and transfer the Subordinate Bonds, subject to the following requirements:

(a) The Purchaser may not dispose of the Subordinate Bonds to a Person or entity other than as described in Section 1 without the prior written consent of the Issuer;

(b) The Purchaser will only sell or otherwise transfer the Subordinate Bonds in whole, except with the prior written approval of the Issuer;

(c) Prior to any transfer of the Subordinate Bonds, the Purchaser shall deliver to the Issuer and the Trustee a certificate identifying any and all documents that have been executed by the Purchaser and the Borrower or any affiliate of the Borrower with respect to the Subordinate Bonds; and

(d) The Purchaser will not sell or otherwise transfer the Subordinate Bonds without requiring the transferee to deliver to the Issuer and to the Trustee an investor's letter to the same effect as this Purchaser's Letter, including this paragraph 13, with no revisions except as may be approved in writing by the Issuer.
