Goals

- 1) Create a shared vision of community safety;
- 2) Engage community stakeholders in a dialogue and community process that evaluates and recommends new ways in which the police department and non-law enforcement sectors intervene with social issues and reduces social conflicts that are non-criminal in nature, and
- 3) To carry out an effective and inclusive community engagement process that is transparent, yields high participation from all sides of the issues, and builds strong sustainable relationships and partnerships between community and police.
- 4) Generate recommendations that enable the vision of community safety.
