**RECOMMENDATION**

To complete the sidewalk under the 87/Coleman Bridge

**Proposal**

Program/Project Title: Sidewalk Completion under the 87/Coleman Bridge

Amount of City Funding Required: \$773,700

This change is:

One-time     Ongoing

Cost Estimate Number (if applicable): #2

Proposal Description, including the reason for the need and anticipated outcomes (Please describe how the proposal will affect services for San José residents, community groups, businesses, etc.):

Under the 87/Coleman Bridge there is a portion of the sidewalk that is incomplete. This is an area where many pedestrians travel to and from their homes to the Coleman Market area, the Rotary Playgarden, and the many other amenities located nearby. Currently, the incomplete portion of the sidewalk has made it an unsafe pedestrian pathway. With an increase of housing within the nearby San Pedro area and an upcoming "Lot E" tiny home development, it would go a long way with our community to make this a safe pedestrian area for nearby residents.

**Funding Source**

Essential Services Reserve:

X Other (Please specify program/project/fund): Construction Excise Tax
