Dear Neighborhood Commissioners,

My name is Tasha Tenturier, a bilingual West Indian Latina born and raised in Panama. I obtained my Bachelor's from Virginia Tech in Blacksburg, VA and my MBA from St. Mary's College in Moraga, CA. I have resided in the California Bay Area since 2001 exercising my strengths in different areas of Project Management. I have lived in different parts of the Bay, forming part, and experiencing different communities prior to settling in San Jose. My desire to see if, how, and when my concerns about my community would be addressed is what brought me to the neighborhoods commission. Participating in a few sessions as a D7 Neighborhood Commissioner has helped me realize what it takes to influence policy and how crucial the commission is in elevating, articulating, and following through on issues that plague or benefit our community. I am grateful to be a voice for all D7 residents and I believe I can further contribute to the facilitation and organization of the commission by volunteering for the Neighborhood Commission Vice Chair role.

Please accept my application for the Neighborhood Commission Vice Chair.

Humbly,

Tasha Tenturier
