Virtual Community Meeting
Tuesday, August 31
6:30-8:00 PM

The City Council approved amendments to the Diridon Station Area Plan (DSAP) on May 25, 2021. The Amended DSAP includes design standards for providing transitions between existing low-rise residential zones and future high-rise buildings. As part of the approval, the Council directed staff to explore additional neighborhood interface measures at certain locations (see map on reverse). Attend this meeting to learn more and share your feedback!
