

District 10 Community Working Groups

Overview

- **Vision: Help D10 residents self-organize to improve their community through local government**
- **Address specific problems affecting our district**
- **Solutions should focus on policy change, better resource allocation, improved service, etc. at city level of government**
- **Organized under the umbrella of the D10 Leadership Coalition**
- **Groups that meet criteria will be staffed by D10 Council Office**
- **Concept will be introduced at State of the District on 2/27**

Criteria for Staff Support

- **Bring together at least 5 active members**
- **Select a chair or co-chairs as point person(s)**
- **1-page charter: problem statement, your vision for solving it, meeting schedule, key members or officers**
- **Report updates to D10 Leadership Coalition quarterly**
- **Operate autonomously with the members driving the agenda**

D10 Office Commitment

- **Assign staff liaison with policy expertise**
- **Share insights from city departments, legislative process**
- **Publicly promote the group and opportunities to get involved**
- **As appropriate, Councilmember Mahan will propose action to city staff / pursue solutions through Council legislative process**
