

CITY OF SAN JOSE REDISTRICTING

COMMUNITY OF INTEREST MAPPING ACTIVITY

INSTRUCTIONS

Please use this map as a way to draw your community of interest. It is important to know about communities so that the district lines can amplify the voices of residents.

Examples of communities can include neighborhoods or planning zones, areas where many residents speak the same language, or even areas where the residents use the same city facilities.

To start, please include a name for your community, your name and email address, and a description of your community. Then draw your community on the map.

DESCRIPTION

ISSUE:
 Over the last 7 years residents of Residential 1+2 have ~~had~~ been negatively impacted by Pay Pal Park. Pay Pal Park is currently in D3. Residents in RESIDENTIAL 1+2 need to be in D3 (like they currently are) so they have direct representation for all issues ~~to~~ they encounter. Issues in the past have been ~~in~~ a riot (made to all 4 local news prime time), terrorised woman & two children and above permitted noise levels. Residents need to have the same City Council Representation as PAY PAL PARK.
