INFORMATION

The purpose of this memorandum is to inform the City Council of the final membership of the COVID-19 Recovery Task Force (Recovery Task Force).

ANALYSIS

On September 21, 2021, the City Council approved the list of 55 member organizations for the Recovery Task Force, as part of the Fiscal Year 2021-2022 City Roadmap “Build Back Better + Task Force” Initiative. In follow up to the City Council action, staff conducted a nomination process by contacting each organization requesting selection of a primary and alternate representative to serve on the Recovery Task Force. Attachment A provides the Recovery Task Force final membership indicating primary representatives.

The first Recovery Task Force meeting will be held November 4, 2021 at 6:00 p.m. via Zoom. All meetings will be open to the public and interpretation will be available in Spanish and Vietnamese. A [Recovery Task Force webpage](#)¹ has been developed to provide resources and materials and to keep Recovery Task Force members and the public informed.
