Character

Your true character is revealed by the clarity of your convictions, the choices you make, and the promises you keep. Hold strongly to your principles and refuse to follow the currents of convenience. What you say and do defines who you are, and who you are...you are forever.

Destiny

Watch your thoughts, for they become words. Choose your words, for they become actions. Understand your actions, for they become habits. Study your habits, for they will become your character. Develop your character, for it becomes your destiny.
