**FAIR HOUSING**

**Meeting Purpose:** Fair Housing is a new and required focus of every city's Housing Element in California. It refers to policies and actions that combat discrimination, overcome patterns of segregation, expand choices, and address racial and economic disparities in housing. It involves both increasing investment in underserved communities and fostering inclusive neighborhoods throughout the city. Join us to learn about this work and share your thoughts and any experiences with fair housing issues. Your input will inform the Housing Element Update and related Assessment of Fair Housing Plan. This meeting provides a presentation followed by time to talk with City staff and each other. Spanish and Vietnamese language interpretation will be available upon request.

## STEPS IN THE PLANNING PROCESS

Public outreach is a key part of the Housing Element update. The timeline below gives a basic depiction of the process.

## COMMUNITY MEETING CODE OF CONDUCT

The City of San José is committed to providing the information and opportunities to encourage residents to follow development activity in their neighborhoods and to actively participate in the land use development process. The intent of this community meeting today is to inform property owners, residents, and other interested parties about the proposed development, answer questions, and receive public comments. Staff will take notes on the discussion, respect all input and opinions, and respond to policy and process questions.

If you wish to speak, please refer to the following guidelines:

- Questions and comments will be taken at the end of the meeting during Open Forum
- Please use the Zoom Meeting “Raise Hand” function or press \*9 on your phone to indicate you’d like to speak. Speakers will be called upon by staff and unmuted to speak.
- Depending on the number of speakers, each person will be called upon to speak only once. If time allows a speaker may be called upon more than once. Each speaker will be limited to two minutes of speaking time each time they are called.
- Persons on the Zoom Meeting call will refrain from behavior which disrupts the public meeting or which may intimidate others who wish to voice their opinions. This will include making loud noises, clapping, shouting, booing, hissing or engaging in any other activity in a manner that disrupts or impedes the orderly conduct of the meeting.
- Harassment of meeting participants including City staff will not be tolerated in any form. If a participant engages in harassing behavior, City Staff will end the meeting or remove the participant from the Zoom Meeting call.
