Attendance at the scoping webinar is not required to comment on the project's scoping materials.

Submit comments via our online comment form at bit.ly/101Mabury, via email to US.Mabury.101.Project@dot.ca.gov phone (800-795-7455), or via postal mail to Daniel Chan, Caltrans District 4, P.O. Box 23660, Oakland, CA 94612.

The City of San Jose (City) in partnership with the California Department of Transportation (Caltrans) proposes the Mabury-Berryessa-Oakland Road Corridor Project to improve mobility and accessibility for all users between US 101 and local roadways.

During this Zoom webinar, the project team will introduce the project, design concepts, environmental review process, and provide information about how you can share your comments and questions. All requests for reasonable accommodations and/or language services must be submitted 72 hours in advance of the scheduled meeting date.
