Mr. McGovern,

Yes, you may send out such materials but may not use those communications to solicit or fundraise before the fundraising period begins.

Good morning. I'm following up to a question I asked of the city clerk which she has forwarded to your office.

I am working with one of the Mayoral campaigns and we would like to send out information to our list about events beginning December 9 and later. Candidate Mahan has sent out an invitation to an event (attached) and we would like to do something similar.

Many have asked if they can write a check now which we have told them is improper. So we wish to inform all on our list the rules about fundraising. We will not solicit any donations with our invitation to a Dec 9 event but we do wish to inform people that SJ rules prevent us from asking for or accepting donations until December 9.

Can some please let us know as soon as possible. Thank you.

Subject: Kickoff Party Invitation

Hi ,

Your support and guidance was instrumental in our race for City Council. I couldn't have done it without you. Thank you again. As we launch our mayoral campaign for common sense solutions I want to let you know that the same is true: we can't get San Jose on a better path without your help. That's why I'm asking you to join us on December 9th as we officially kick off the campaign:

<https://mahanforsanjose.com/kickoff/>

We've hit the ground running this year by fighting for common sense solutions to many of our biggest challenges: ending the era of encampments, demanding mental health and addiction treatment for those who need it, investing in safe and litter-free streets, and building future housing where it belongs, not where it will increase traffic, air pollution and displacement.

The election of San Jose's next Mayor, who could serve for the next 10 years, will be critical to making sure we can continue to make the changes necessary to get San Jose back on track. With your help, San Jose will once again be the safest, cleanest and most opportunity-filled city in America.

I'm looking forward to seeing you on the 9th!

Thank you,

Matt
