

## COMMUNITY MEETING AND EIR SCOPING MEETING AGENDA

Proposed Conditional Use Permit  
Westgate West Costco Warehouse – 5287 Prospect Road  
File No. CP21-022

**When: Monday, January 24, 2022**  
**6:00 p.m. – 7:00 p.m.**

**COVID-19 Notice:** Due to the Santa Clara County Health Officer’s March 16, 2020 Shelter in Place Order, this meeting will not be physically open to the public. Members of the public may view and listen to the meeting by following the instructions listed on page 3. The live meeting will be recorded. You will be muted upon entry to the meeting. Please do not unmute yourself until the presenter has called on you to speak. If you have not participated in a Zoom meeting before, we encourage you to download the Zoom app to your phone, tablet, or computer and feel free to log in early to troubleshoot any technical issues that may arise. Participants who are unable to install Zoom on their computer or mobile device can join a meeting through their computer’s web browser. Meeting function may be limited on a web browser. Zoom currently works best with Google Chrome, Apple Safari, Mozilla Firefox, and Chromium Edge.

**Meeting Purpose:** To discuss the applicant’s proposed project, the City’s project and environmental review processes, to obtain community input, and provide an overview of issues to be discussed in the Environmental Impact Report (EIR) analysis relative to the **Costco Warehouse** project located at **5287 Prospect Road**. Comments, concerns, and questions raised at this meeting will become part of the public record and will help refine the project as it moves forward in the review process. Public input on the scope of the EIR is encouraged so that the review addresses all relevant environmental issues. The Notice of Preparation (NOP) for the EIR is available for review online under the project name and file number (Costco Warehouse - CP21-022) at the City of San Jose’s Planning Division website: <http://www.sanjoseca.gov/ActiveEIRs>. Verbal comments on the NOP will be accepted at the community meeting and written comments will be accepted through the end of the thirty-day circulation period. There are continued opportunities throughout the permit process to publicly comment on the project as illustrated in the permit process chart below.

**Proposed Project:** Conditional Use Permit to allow the partial demolition of an existing shopping center totaling 188,265 square feet for the construction of an approximately 166,058-square foot Costco Warehouse with an associated tire center and off-sale of alcohol on an approximately 9.69-gross acre site.

## Steps in the Planning Process

Project review is an essential part of the land use and development process. The flow chart below gives a basic depiction of the steps involved.

## Environmental Review California Environmental Quality Act (CEQA)

CEQA requires developers to disclose the potential environmental impacts resulting from the construction of a project. When the City reviews a project for CEQA compliance, it is determining if the project will or will not have significant environmental effects in the following subject areas: aesthetics, agricultural resources, air quality, biological resources, cultural resources, geology/soils, hazards and hazardous materials, hydrology/water quality, population/housing, public services, recreation, transportation/traffic, and utilities/service systems. This knowledge helps local officials to make informed decisions about whether to permit discretionary projects and, if so, with what conditions and or mitigation measures. A project can take one of three tracks:

- (1) Exempt – no possibility of impacts; or
- (2) An environmental initial study is conducted, and a negative declaration or mitigated negative declaration is adopted. This indicates that the initial study found no significant environmental impacts, or that the impacts can be reduced with mitigation measures, or
- (3) An initial study is prepared and determines that the project may have a significant effect on the environment, and preparation of an environmental impact report (EIR) is required (This is the least common outcome, but is typically required for large-scale projects).

## COMMUNITY MEETING CODE OF CONDUCT

The City of San José is committed to providing the information and opportunities to encourage residents to follow development activity in their neighborhoods and to actively participate in the land use development process. The intent of this community meeting today is to inform property owners, residents, and other interested parties about the proposed development, answer questions, and receive public comments. Staff will take notes on the discussion, respect all input and opinions, and respond to policy and process questions.

If you wish to speak, please refer to the following guidelines:

- Questions and comments will be taken at the end of the meeting during Open Forum
- Please use the Zoom Meeting “Raise Hand” function or press \*9 on your phone to indicate you’d like to speak. Speakers will be called upon by staff and unmuted to speak.
- Depending on the number of speakers, each person will be called upon to speak only once. If time allows a speaker may be called upon more than once. Each speaker will be limited to two minutes of speaking time each time they are called.
- Persons on the Zoom Meeting call will refrain from behavior which disrupts the public meeting or which may intimidate others who wish to voice their opinions. This will include making loud noises, clapping, shouting, booing, hissing or engaging in any other activity in a manner that disrupts or impedes the orderly conduct of the meeting.
- Harassment of meeting participants including City staff will not be tolerated in any form. If a participant engages in harassing behavior, City Staff will end the meeting or remove the participant from the Zoom Meeting call.
