Nomination award form

The goal of the San Jose Historic Landmarks Commission Preservation Award Program is to honor those who have reached the highest level of accomplishment in historic preservation and to recognize the highest quality of preservation of the built environment, in an effort to educate the public about preservation and to encourage further contributions. Projects will be considered for awards which are outstanding achievements in the following areas of preservation activity: (1) Residential Restoration/Rehabilitation (2) Non-Residential Restoration/Rehabilitation.

The San Jose Historic Landmarks Commission seeks to honor projects which reflect the Secretary of Interior Standards for Restoration and Rehabilitation: The project must have been completed within ten years prior to the submission of the nomination. Recognition and respect for the original design intent of the project and for the period to which it is restored should be

considered. Where alterations or additions to the building are of contemporary design, the work must respect the original historical, architectural, and cultural qualities. The project should retain the distinguishing qualities and character of the original construction. The Historic Landmarks Commission of San Jose will determine the winner of the awards.

Nominations can range from simple bungalows to downtown buildings and should exhibit **recognition and** respect for the original design intent of the project and for the period to which it is restored. Awards may be made to buildings located in San Jose. Projects will be considered that have been completed within the past ten (10) years. Projects previously awarded will not be considered. Nominations must be received by: 4:00 PM, Monday, April 4. Submit all entries to Historic Landmarks Commission *URL* or mail to Historic Preservation Officer, San Jose City Hall, Planning, Building and Code Enforcement Department, 200 E Santa Clara St, San Jose, CA 95113

For additional information, e-mail (*A Commissioner's or Dana's email? To be confirmed*). The awards presentations will take place at 7:00 PM on May 21, 2022 at History Park near Kelley Park in San Jose.
