Subject: RE: Contribution Limits

Mr. Sullivan,

Contributions for the general election may not be collected during the primary election contribution period.

Subject: Contribution Limits

Good afternoon Toni,

We got a call about campaign contribution limits for mayoral campaigns. They asked if they could collect or accept general election contributions during the primary election period or if they have to wait for the general election period. He said he reached out 2-3 weeks ago and is still waiting for an answer. I'm not sure if you have the answer to that. I have not been able to find anything specific on it.
