#	RESPONSES	DATE
1	I have submitted ideas separately on another e-mail. Thank you.	2/7/2022 4:08 PM
2	Law enforcement	2/6/2022 6:59 PM
3	It would be good to incorporate a format that allows synergy between the committees and information to flow freely between committees. The COVID-19 pandemic affects all of these areas and is a complex issue that requires a complex solution. Finding a way to communicate and solve problems together between committees will be important for this effort to be successful in making positive impacts for San José citizens.	2/4/2022 4:31 PM
4	Explicitly call out racial equity and look at how policy decisions and systems are affecting residents across racial and income lines.	2/4/2022 3:29 PM
5	A recent SCCOE report shows that the number one reason people were looking for childcare was employment and the second was seeking employment. Childcare and Youth Development and supporting small businesses are not a want, but a need to build and strengthen our community. Thank you, Ivon	2/4/2022 10:20 AM
6	I lead a free afternoon workshop for underserved youth in the South Bay showing them how technology can be a tool to help them develop their critical thinking and social skills.	2/3/2022 5:08 PM
7	I'm most interested in serving in a committee where I will be able to assist in the recovery efforts for the hospitality industry. The workers of this industry continue to be among the most impacted in the city. To ensure the long-term recovery of this industry, preserving (and potentially expanding) the funds available for marketing and developing travel to San Jose is essential.	2/3/2022 4:00 PM
8	La idea de incorporar Arte y Cultura al comite de apoyo a los trabajadores no es buena idea. Nositros creemos que va mas conectada a el comite de Community engagement. Ya que esto es para nuestros vecindarios.	2/3/2022 3:22 PM
9	The Community Health and Wellness committee should include a focus on continued support for healthy and culturally relevant food access and food distribution efforts.	2/2/2022 4:32 PM
10	Members of our community are also very concerned about the impacts of climate change. In addition to that, emergency and disaster preparedness.	2/1/2022 1:59 PM
11	Data & Budgeting is being recommended as a shorter-term committee. I think it should be a standing Committee as DATA will be needed to be collected almost at all times to measure the development and/or results of the work done.	1/31/2022 8:11 PM
12	We have an interest in woOrking with self employed, micro businesses and bridging the digital divide as well as reopening child care services.	1/31/2022 6:56 PM
13	I can work with more than one committee if needed based on my ranked list.	1/31/2022 4:44 PM
