IMMIGRATION LEGAL ASSISTANCE AND INFORMATION

The Department of Homeland Security (DHS) announced that Ukraine has been designated for Temporary Protected Status (TPS) for 18 months due to the invasion by Russia. To qualify, Ukrainian nationals must have continuously resided in the United States as of March 1, 2022, and must apply to the U.S. Citizenship and Immigration Services within 180 days (until August 28, 2022). TPS applicants may also apply for Employment Authorization Documents (EADs) allowing them to work lawfully in the United States.

Every individual case is different and you are highly encouraged to schedule a consultation with a qualified immigration professional to help discuss the options that are available in your circumstances. If you are interested in finding immigration legal assistance for TPS or other immigration applications, you can search for providers [here](#).

The Office of Racial Equity will be hosting an informational webinar on TPS for Ukrainians on Wednesday March 9, 2022. Registration for the webinar is [here](#). The event can also be streamed live on the [ORE Facebook page](#). The webinar will be recorded and available to watch after the event. **For more resources please visit the dedicated Ukraine page on the [Office of Racial Equity website](#)**

Ukrainian nonimmigrant visa applicants may apply anywhere they are physically located & can schedule an appointment. Follow instructions on the respective embassy website to apply. Find a list of embassy websites here: www.usembassy.gov.
