

Notice of Contracts Executed by Council Appointees

In accordance with [San José Municipal Code Section 4.04.080](#) entitled “Quarterly Reports,” the following is submitted as a report on contracts with a value of \$130,000 or more executed by Council Appointees or their designees during the **second quarter of Fiscal Year 2021–2022 (October 1, 2021 – December 31, 2021)** as reported by each Council Appointee. Additionally, in accordance with the Office of the City Auditor’s Recommendation #1e dated June 12, 2013, this report includes all consulting contracts, regardless of contract value.

Notes:

- (a) The “Sole Source” column designates whether or not the agreement was issued based on a competitive process. A “Yes” response indicates that competition was not practicable in accordance with [San José Municipal Code Section 4.12.215](#), such as emergency purchases, public agencies purchases, sole source purchases, and unique services purchases; a “No” response indicates that the contractor was competitively selected or that the contract value was below the competitive threshold as set forth in [San José Municipal Code Section 4.12.210.A](#); and an “N/A” response indicates that the categorization is not applicable, such as amendments, change orders, service orders, and options for existing agreements.
- (b) The “Retro” column designates whether work began before or after contract execution. A “Yes” indicates that the Contractor started work prior to contract execution, and a “No” response indicates that the Contractor started working after contract execution.
