

City of San José
CLASS SPECIFICATION

PUBLIC SAFETY RADIO DISPATCHER TRAINEE (FT) (8532)

DEPARTMENT	ACCOUNTABLE TO	FLSA STATUS
Fire	Senior Public Safety Radio Dispatcher	Non-Exempt

CLASS SUMMARY

Under immediate supervision, learns to dispatch fire and emergency medical personnel and equipment; actively participates in a Basic Dispatch training course; performs all related learning and testing activities; participates in field training exercises as needed to fully develop dispatching skills; and performs related work as required.

DISTINGUISHING CHARACTERISTICS

This is the entry-level training classification for fire and emergency medical services dispatching within the City of San Jose. Incumbents are provided with formal training, both in the classroom and in the field, in order to develop the knowledge, skills and abilities necessary to perform the full range of fire and emergency medical services dispatching functions. This class can be distinguished from the class of Public Safety Radio Dispatcher because the latter is the journey-level class where incumbents are required to handle the full range of telephone answering and dispatch functions under general supervision. Trainees must complete the training program and be appointed to the class of Public Safety Radio Dispatcher in order to retain employment.

QUALIFICATIONS

(These qualifications are typically required. An equivalent combination of education, experience, knowledge, skills, and abilities sufficient to satisfactorily perform the duties of the job may be substituted.)

Minimum Qualifications

Education and Experience: Successful completion of high school and one year of experience receiving, processing and/or dispatching calls in a radio dispatch or call center **OR** successful completion of high school and three (3) years of experience working in public contact employment.

Required Licensing (such as driver's license, certifications, etc.)

None.

Other Qualifications

(Incumbents may be required to have different combinations of the listed qualifications, or more specific job-related qualifications depending on the position.)

None.

Basic Knowledge, Skills and Abilities

(Needed at entry into the job in order to perform the essential duties.)

- Ability to learn to accurately and quickly how to enter information in the computer system while receiving information via radio and telephone.

- Ability to learn radio codes used in computer-aided dispatch.
- Ability to retain composure and work accurately under pressure in emergency situations.
- Ability to read, write, spell, and speak in clear and concise English.
- Ability to deal tactfully with the public and others.
- Ability to follow oral and written instructions.
- Ability to learn and interpret maps.
- Ability to work in a confined area and wear a radio headset.
- Ability to type.

Desirable Qualifications

(Knowledge, skills and abilities; licenses, certificates, education, experience that is more position specific and/or likely to contribute to more successful job performance.)

- Knowledge of City emergency telephone answering or dispatching techniques, policies and procedures.
- Knowledge of the general policies and procedures pertaining to the operation of the City dispatch center.
- Knowledge of primary roads, streets, highways, areas, major buildings and public facilities within the City’s boundaries.
