In accordance with [San José Municipal Code Section 4.04.080](#) entitled “Quarterly Reports,” the following is submitted as a report on contracts with a value of \$130,000 or more executed by Council Appointees or their designees during the **third quarter of Fiscal Year 2021–2022 (January 1, 2022 – March 31, 2022)** as reported by each Council Appointee. Additionally, in accordance with the Office of the City Auditor’s Recommendation #1e dated June 12, 2013, this report includes all consulting contracts, regardless of contract value.

- (b) The “Retro” column designates whether work began before or after contract execution. A “Yes” indicates that the Contractor started work prior to contract execution, and a “No” response indicates that the Contractor started working after contract execution.
