That the following recommendation be enacted.

Proposal

Program/Project Title: Feral Cat Neutering and Spaying Tapping Service in Guadalupe Park

Amount of City Funding Required: \$168,700.00

This change is:

One-time Ongoing

Cost Estimate Number (if applicable):

Proposal Description, including the reason for the need and anticipated outcomes (Please describe how the proposal will affect services for San José residents, community groups, businesses, etc.):

Guadalupe Park has a feral cat over population and the city's animal services department does not have the time or staff to catch the cats. Several nonprofit cat rescues have been helping with that. If city staffing does not work for this request, partnering with an outside veterinary facility for spay/neutering would be an option.
