Santa Clara & San Mateo County
Community Health Center
Directory

Spring 2022

Community Health Partnership's Mission is to advocate for affordable and accessible health services for our diverse and multicultural communities regardless of socioeconomic, ethnic, religious, or cultural background, and to support our member organizations in achieving these goals.

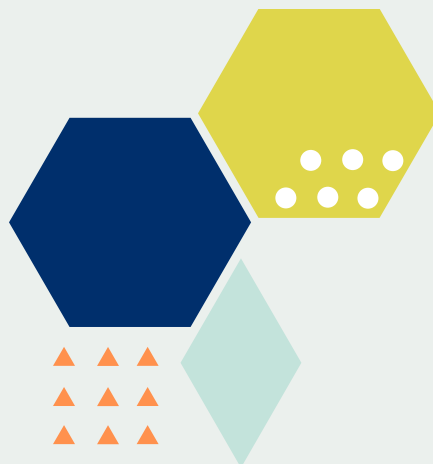

We hope that this directory alleviates the stress and confusion that often comes with choosing a healthcare provider that's right for you. CHP member community health centers provide primary care, behavioral health, dental, optometry and podiatry services.
