a. Ballot Designation

Candidates have the option to include their ballot designation on the Nomination Petition. Ballot designations may not exceed three words and may only designate a principal profession, vocation, or occupation. The City Clerk will not accept a ballot designation that would mislead the voter, suggest an evaluation of the nominee, or that refers to an activity prohibited by law. **If one of the nominees is the incumbent, that designation, and no other, must appear.**

2. Candidate's Statement (See Section 700 of the Election Procedure)

By July 22, 2022, persons who have been nominated and whose names will appear on the ballot may file with the City Clerk a candidate statement of their qualifications for office as they desire to be distributed to the voters. Such statements may not exceed 200 words, excluding signatures. All candidates' statements must be signed by at least one association or individual. The City Clerk will prepare copies of all such statements received and will distribute them with the ballots. The statements so filed will be arranged in the order of the names of the candidates upon the ballot. The City Clerk does not assume any responsibility for the accuracy or nature of the contents of the filed candidate's statements. If the candidate statement is available in an electronic format (Microsoft Word compatible), please send a soft copy to the City Clerk via email to city.clerk@sanjoseca.gov. The original statement must be filed in person along with the Nomination Petition. Candidates will not be allowed to file a candidate statement after their Nomination Petition has been filed.

3. General Information Regarding Voting

Employees vote by mailing, routing or otherwise delivering their ballots to the Office of the City Clerk before the 2:00 p.m. Monday, September 12, 2022 deadline. When a ballot envelope is returned to the City Clerk's Office, the employee's name on the label is checked against the roster of eligible voters to ensure each employee votes only once. The sealed envelopes are retained in a locked ballot box until the September 12, 2022 ballot opening. **If an envelope is received without the label, or with the label defaced, that ballot cannot be counted.**

At 2:00 p.m. on Monday, September 12, 2022, the ballot box will be opened, all envelopes inside will be mechanically opened, and the ballots will be counted by a panel of canvassers. Interested employees are

invited to observe the opening and counting process in the City Clerk's Conference Room T-1446 located at San José City Hall, 200 East Santa Clara Street, 14th Floor.

The City Charter further specifies that the names of the three persons receiving the highest number of votes for Civil Service Commission be presented for Council consideration without regard to the number of votes received.
