PROPOSED REQUEST

Meeting Purpose: To describe the applicant’s proposed request, the City’s review process, and to obtain community input on the proposed requests located at two parcels at 1669 Monterey Road (APNs 456-02-019 and 456-02-020) comprising approximately 1.76 acres in San José. Comments, concerns, and questions raised at this meeting will become part of the public record and will help inform the project’s design as it moves forward in the review process. There are continued opportunities throughout the permit process to publicly comment on the proposed request as illustrated in the process chart below.

Proposed requests:

General Plan Amendment (GP21-001) to change the existing 2040 General Plan Land Use/Transportation Diagram where one part has an existing designation of Heavy Industrial (HI) and another part is Combined Industrial/Commercial. The proposal is to make the Land Use Designation Combined Industrial/Commercial on the whole 1.76-gross acre site.

Planned Development Rezoning (PDC22-005) to allow the project site to be rezoned from Heavy Industrial planned development to a CIC(PD) Planned Development Zoning District.

Planned Development Permit (PD22-010) to allow the demolition of an existing motel (Casa Linda Motel, consisting of six commercial structures totaling approximately 24,000 square feet), the removal of trees, and the construction of a five-story, 120-guestroom hotel (Fairfield Inn & Suites) within the Monterey Business Corridor Growth Area.

Staff Review: Staff have completed an initial review of the proposed land use amendment request and found it to be inconsistent with Envision San José 2040 General Plan Major Strategies, goals, and policies. For the General Plan Amendment, staff will not recommend approval to the Planning Commission and City Council.

STEPS IN THE PLANNING PROCESS

Project review is an essential part of the land use and development process. The flow chart below gives a basic depiction of the steps involved.

* Opportunity for community participation

ENVIRONMENTAL REVIEW CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA)

CEQA requires developers to disclose the potential environmental impacts resulting from the construction of a project. When the City reviews a project for CEQA compliance, it is determining if the project will or will not have significant environmental effects in the following subject areas: aesthetics, agricultural resources, air quality, biological resources, cultural resources, geology/soils, hazards and hazardous materials, hydrology/water quality, population/housing, public services, recreation, transportation/traffic,

and utilities/service systems. This knowledge helps local officials to make informed decisions about whether to permit discretionary projects and, if so, with what conditions and or mitigation measures. A project can take one of three tracks:

- (1) Exempt – no significant environmental impacts; or
- (2) An environmental initial study is conducted, and a negative declaration or mitigated negative declaration is adopted. This indicates that the initial study found no significant environmental impacts, or that the impacts can be reduced with mitigation measures, or
- (3) An initial study is prepared and determines that the project may have a significant effect on the environment, and preparation of an environmental impact report (EIR) is required (This is the least common outcome, but is typically required for large-scale projects).

COMMUNITY MEETING CODE OF CONDUCT

The City of San José is committed to providing the information and opportunities to encourage residents to follow development activity in their neighborhoods and to actively participate in the land use development process. The intent of this community meeting today is to inform property owners, residents, and other interested parties about the proposed development, answer questions, and receive public comments. Staff will take notes on the discussion, respect all input and opinions, and respond to policy and process questions.

If you wish to speak, please refer to the following guidelines:

- Questions and comments will be taken at the end of the meeting during Open Forum
- Please use the Zoom Meeting “Raise Hand” function or press *9 on your phone to indicate you’d like to speak. Speakers will be called upon by staff and unmuted to speak.
- Depending on the number of speakers, each person will be called upon to speak only once. If time allows a speaker may be called upon more than once. Each speaker will be limited to two minutes of speaking time each time they are called.
- Persons on the Zoom Meeting call will refrain from behavior which disrupts the public meeting or which may intimidate others who wish to voice their opinions. This will include making loud noises, clapping, shouting, booing, hissing or engaging in any other activity in a manner that disrupts or impedes the orderly conduct of the meeting.
- Harassment of meeting participants including City staff will not be tolerated in any form. If a participant engages in harassing behavior, City Staff will end the meeting or remove the participant from the Zoom Meeting call.
