

FIRE PREVENTION DIRECTIVE # 002-2006/Revised

TO:

ALL BFP PERSONNEL

FROM: David Schoonover, Director

Bureau of Fire Prevention

SUBJECT: OCCUPANT LOAD SIGNS

DATE: May 4, 2006

REVISED: July 20, 2007

Assembly rooms used for dining, drinking, dance floors, or similar purpose having an occupant load of 50 or more shall have a Maximum Occupant Load sign with the corresponding floor layout posted in a noticeable place near the main exit.

The following are the specifications for occupant load signs:

- 1. The occupant load sign shall be at least 8-1/2 inches by 11 inches with block capital letters not less than 3/4" high and 1/16" stroke.
- 2. The corresponding floor layout shall also be at least 8-1/2 inches by 11 inches.
- The use of the room shall be indicated on the sign.
- 4. The address of the occupancy shall be indicated on the sign and floor plan.
- 5. The sign shall have a San Jose Fire Department "APPROVED BY" stamp affixed to the occupant load sign and corresponding floor layout. The stamp shall bear the signature of the Fire Marshal.
- 6. The sign shall be durable, permanent, and have a contrasting color from the background.
- 7. After the San Jose Fire Department "APPROVED BY" stamp has been signed by the Fire Marshal, the sign shall be laminated and displayed in a noticeable place near the main exit.
- 8. The following are examples for reference:

a) Single purpose room

123 MAIN STREET MAXIMUM OCCUPANT LOAD

DINING: 65
