Maya Esparza Is Failing Us On Homelessness

After four years under Maya Esparza, the desperation on our streets has grown. Maya Esparza has:

- Failed to put forward a plan to address homelessness.
- Allowed encampments to flourish in D7, which had the second-most sweeps in 2021 of any Council district.
- Proposed no new sites for homeless housing, despite the homelessness crisis.

It's time for a change. Bien Doan is a San Jose Fire Captain who has spent over 20 years protecting our city. Bien Doan wants to:

- Create more cost effective modular housing.
- Increase mental health and addiction services.
- Expand job training and placement programs to help people get back on their feet.
