Cindy Chavez for Mayor

San Jose CA 95125

County Supervisor, Former Vice Mayor, & 16 years of elected experience

Cindy Chavez

Former Social Media CEO, Councilmember, & only 18 months of experience

Matt Mahan

On Safety

1. **When Cindy was on City Council, San Jose had 201 more officers⁶ than it does today.** As Mayor, she will hire more officers faster & **cut response times.** San Jose Police Officers support Cindy for Mayor.
2. Cindy is working to increase mental health & substance abuse services between the county and city, further addressing root causes of crime.
1. When Matt was a social media CEO, **he pitched the NRA** to use his company's platform 9 months after 20 children were killed at Sandy Hook Elementary School.¹
2. Matt Mahan voted to **hire only 20 police officers** — even though crime is on the rise & response times are getting worse.²

On Homelessness

1. As Supervisor, Cindy **helped house over 20,000 homeless individuals⁷** & has authored a strategy to end family homelessness in 2.5 years.⁷
2. As Supervisor, Cindy Chavez has voted to increase detoxification service with a goal of serving over 700 people each year.⁸
1. Matt Mahan's solution to house the homeless has been proven not to work. He continues to prioritize quick fixes to long term problems by **spending \$40 million⁵** to build temporary and transitional housing — which recycles homeless people back onto our streets.

On Financial Management

1. In 2019, Cindy helped save 451 hospital beds & 2 hospitals from bankruptcy.⁹ These hospitals were critical in helping our residents during COVID-19.
2. Cindy oversaw an \$11.5 Billion Budget as President of the Board of Supervisors and successfully balanced the budget.¹⁰
1. At the same time Cindy saved our hospitals, Mahan's social media company, Brigade, was sold. Reports cited **"incredibly weak leadership team, abhorrent HR practices, and lavish perks such as free massages and unlimited time off."**³
