

Frequently asked questions for General Permits

Can I have an air jumper in a City of San Jose Park?

Yes, there are 36 parks where an air jumper is allowed with an approved permit.

Can I use any air jump vendor?

No, there is a list of approved vendors from which you must choose. Check back often as the list changes frequently

Do I have to have a picnic reservation to have an air jumper?

Yes and No – Some air jumper sites do require that you have reserved a picnic area, but here are many areas available throughout the City that do not require a picnic reservation.

Is there a fee to get an air jump permit?

Yes, there is a fee to get an air jump permit. Currently the fees are \$60.00 for residents of San Jose and \$100.00 for non-residents.

Can I have a combo jumper, such as a jumper and a slide or a jumper and a water feature?

No, only square 22' x 22' jumpers are allowed in City of San Jose Parks.

Is there electricity available in the park for the jumper?

No, there is no electricity available in City of San Jose parks. Jumpers must operate on diesel generators, preferably a low noise model, and must be provided by the air jumper vendor. Refueling is prohibited during the rental periods.
