Progressive Design Build - Delivery Model

Owner (City – Principal Engineer ESD)

Owner Advisor (Brown and Caldwell)

Design Builder (Walsh Constructors)

Recommendation

Approve the First Amendment to the Master Consultant Agreement with Brown and Caldwell to provide project management, construction management and engineering support services during construction as owner's advisor for the 7758 – Digested Sludge Dewatering Facility Project at the San José-Santa Clara Regional Wastewater Facility from the date of execution through March 31, 2027, in an initial total amount not to exceed \$9,6400,000, subject to the appropriation of funds.
