Program: Project-Based Section 8 Vouchers Program
 Project: Pavilion Inn Transitional Housing Project
 Description of project/activity:

The project site is currently developed with the Pavilion Inn, a two-story hotel containing 62 rooms, storage rooms, kitchen area, laundry room, and a lobby, and a surface parking lot. The proposed project is the acquisition and operation of the Pavilion Inn for use as transitional housing for people experiencing homelessness in the Bay Area. Transitional housing refers to a temporary six- to nine-month stay prior to transitioning into permanent housing.

The project site would generally be used as is, and the proposed project would not include any ground disturbing activities such as demolition, excavation, or exterior construction, nor would it introduce substantial physical changes to the existing building or site. Any exterior work would include regular maintenance activities such as roof replacement, painting, and landscaping. Interior work to the property would be minimal, including such work as expanding communal spaces by combining rooms to create larger living rooms, and upgrading bathrooms. The project would not alter the existing room count. The project would not add new utilities connections.
