| TP02 | Provide Bike Share Stations |
| Description | Provide bike share stations for Project residents/employees, allowing for on-demand access to shared bikes on an as-needed basis. |
| CEQA | Not applicable |
| TDM Program (1 – 2 Points) | <p><u>Home-End Uses, Commute-End Uses, and Visit-End Uses Only:</u></p> <ul style="list-style-type: none"> ▪ 1 Point: Provide one (1) of the following bike share facilities. ▪ 2 Points: Provide at least two (2) of the following bike share facilities. <ul style="list-style-type: none"> - Provide at least six (6) shared bikes/e-bikes on site via Bay Wheels or a dedicated fleet on-site for use by Project residents/employees and the general public. Include wayfinding signage. - Subscribe to the City’s bike share program. Establish a new or expand an existing public bike share station to include six (6) bikes/e-bikes on public streets or garages within ½ miles of the Project for use by Project residents/employees and the general public. - Provide at least one (1) cargo bike and one (1) collapsible shopping/utility cart on site for use by Project residents/employees. Include wayfinding signage. |
| Proof of Implementation | City staff will confirm that the required number of shared bikes are provided during a pre-occupancy inspection of the site. HOAs/Property owners must include up-to-date photos of the shared bikes and any supportive facilities and signage to demonstrate that they are in good condition and accessible to Project residents/employees as attachments to their annual TDM Plan Compliance Forms. As necessary, City staff will conduct site visits to confirm that the amenities meet specified standards. |
